Putting the pieces together . . .

Henry Driscoll best described life on campus when he said, "SCHOOL IS LIFE. AS YOU LIVE HERE, SO YOU WILL PROBABLY CONTINUE TO LIVE. GIVE YOUR BEST EFFORT TO UNDERSTAND THE TRUTH AND TO PRACTICE THE RIGHT. AVOID LAZINESS; AVOID DECEITFULNESS; MAKE THE MOST OF YOUR POWER TO SERVE MANKIND."

You can find this piece inscribed on Slater Memorial Museum.

On June 17, 1854, your Academy was incorporated to provide "... a school of higher order than any which is, or may be established ...". Since then, many dedicated persons have devoted themselves to fulfill and preserve this responsibility; while nearly twenty-nine thousand have left the Academy to pursue successful and productive careers.

The class of 1986 now becomes part of that rich heritage. You are indeed privileged to have a diploma from such a distinguished institution.

The Board of Trustees congratulates the Class on this accomplishment and wishes each member continued success and happiness. We will follow your futures with interest and pride and are grateful for your support of our school.

A Unique Experience . . .

Dedication

The class of 1986 proudly dedicates the Mirror to

Carolyn Devore

Mrs. Carolyn Devore began teaching 17 years ago. As a teacher of sociology, she helps students find their identities. Also, in her sewing class, she instructs students on the techniques of the craft.

Mrs. Devore attended NFA while her father, George E. Shattuck, was principal. After graduating, she attended the University of Connecticut where she received both her B.S. and M.A. degrees.

We seniors first heard Mrs. Devore's name as freshman. She was and still is our class advisor. She has enjoyed taking a part in our high school memories, while becoming a good friend to many students.

When asked why she wanted to become a teacher, Mrs. Devore replied, "Because I wanted to do some good in the world." And that she has! She enjoys the students and has always found it exhilarating to teach. It's been an experience that she will value always.

To sum it up in a quote that Mrs. Devore has treasured from her father, "Seek truth; it is the essence of freedom. Practice tolerance; it is the beginning of understanding. Do right; it is the way to live with yourself and your fellow man."

We congratulate you, Mrs. Devore, and thank you for your support and interest in us.

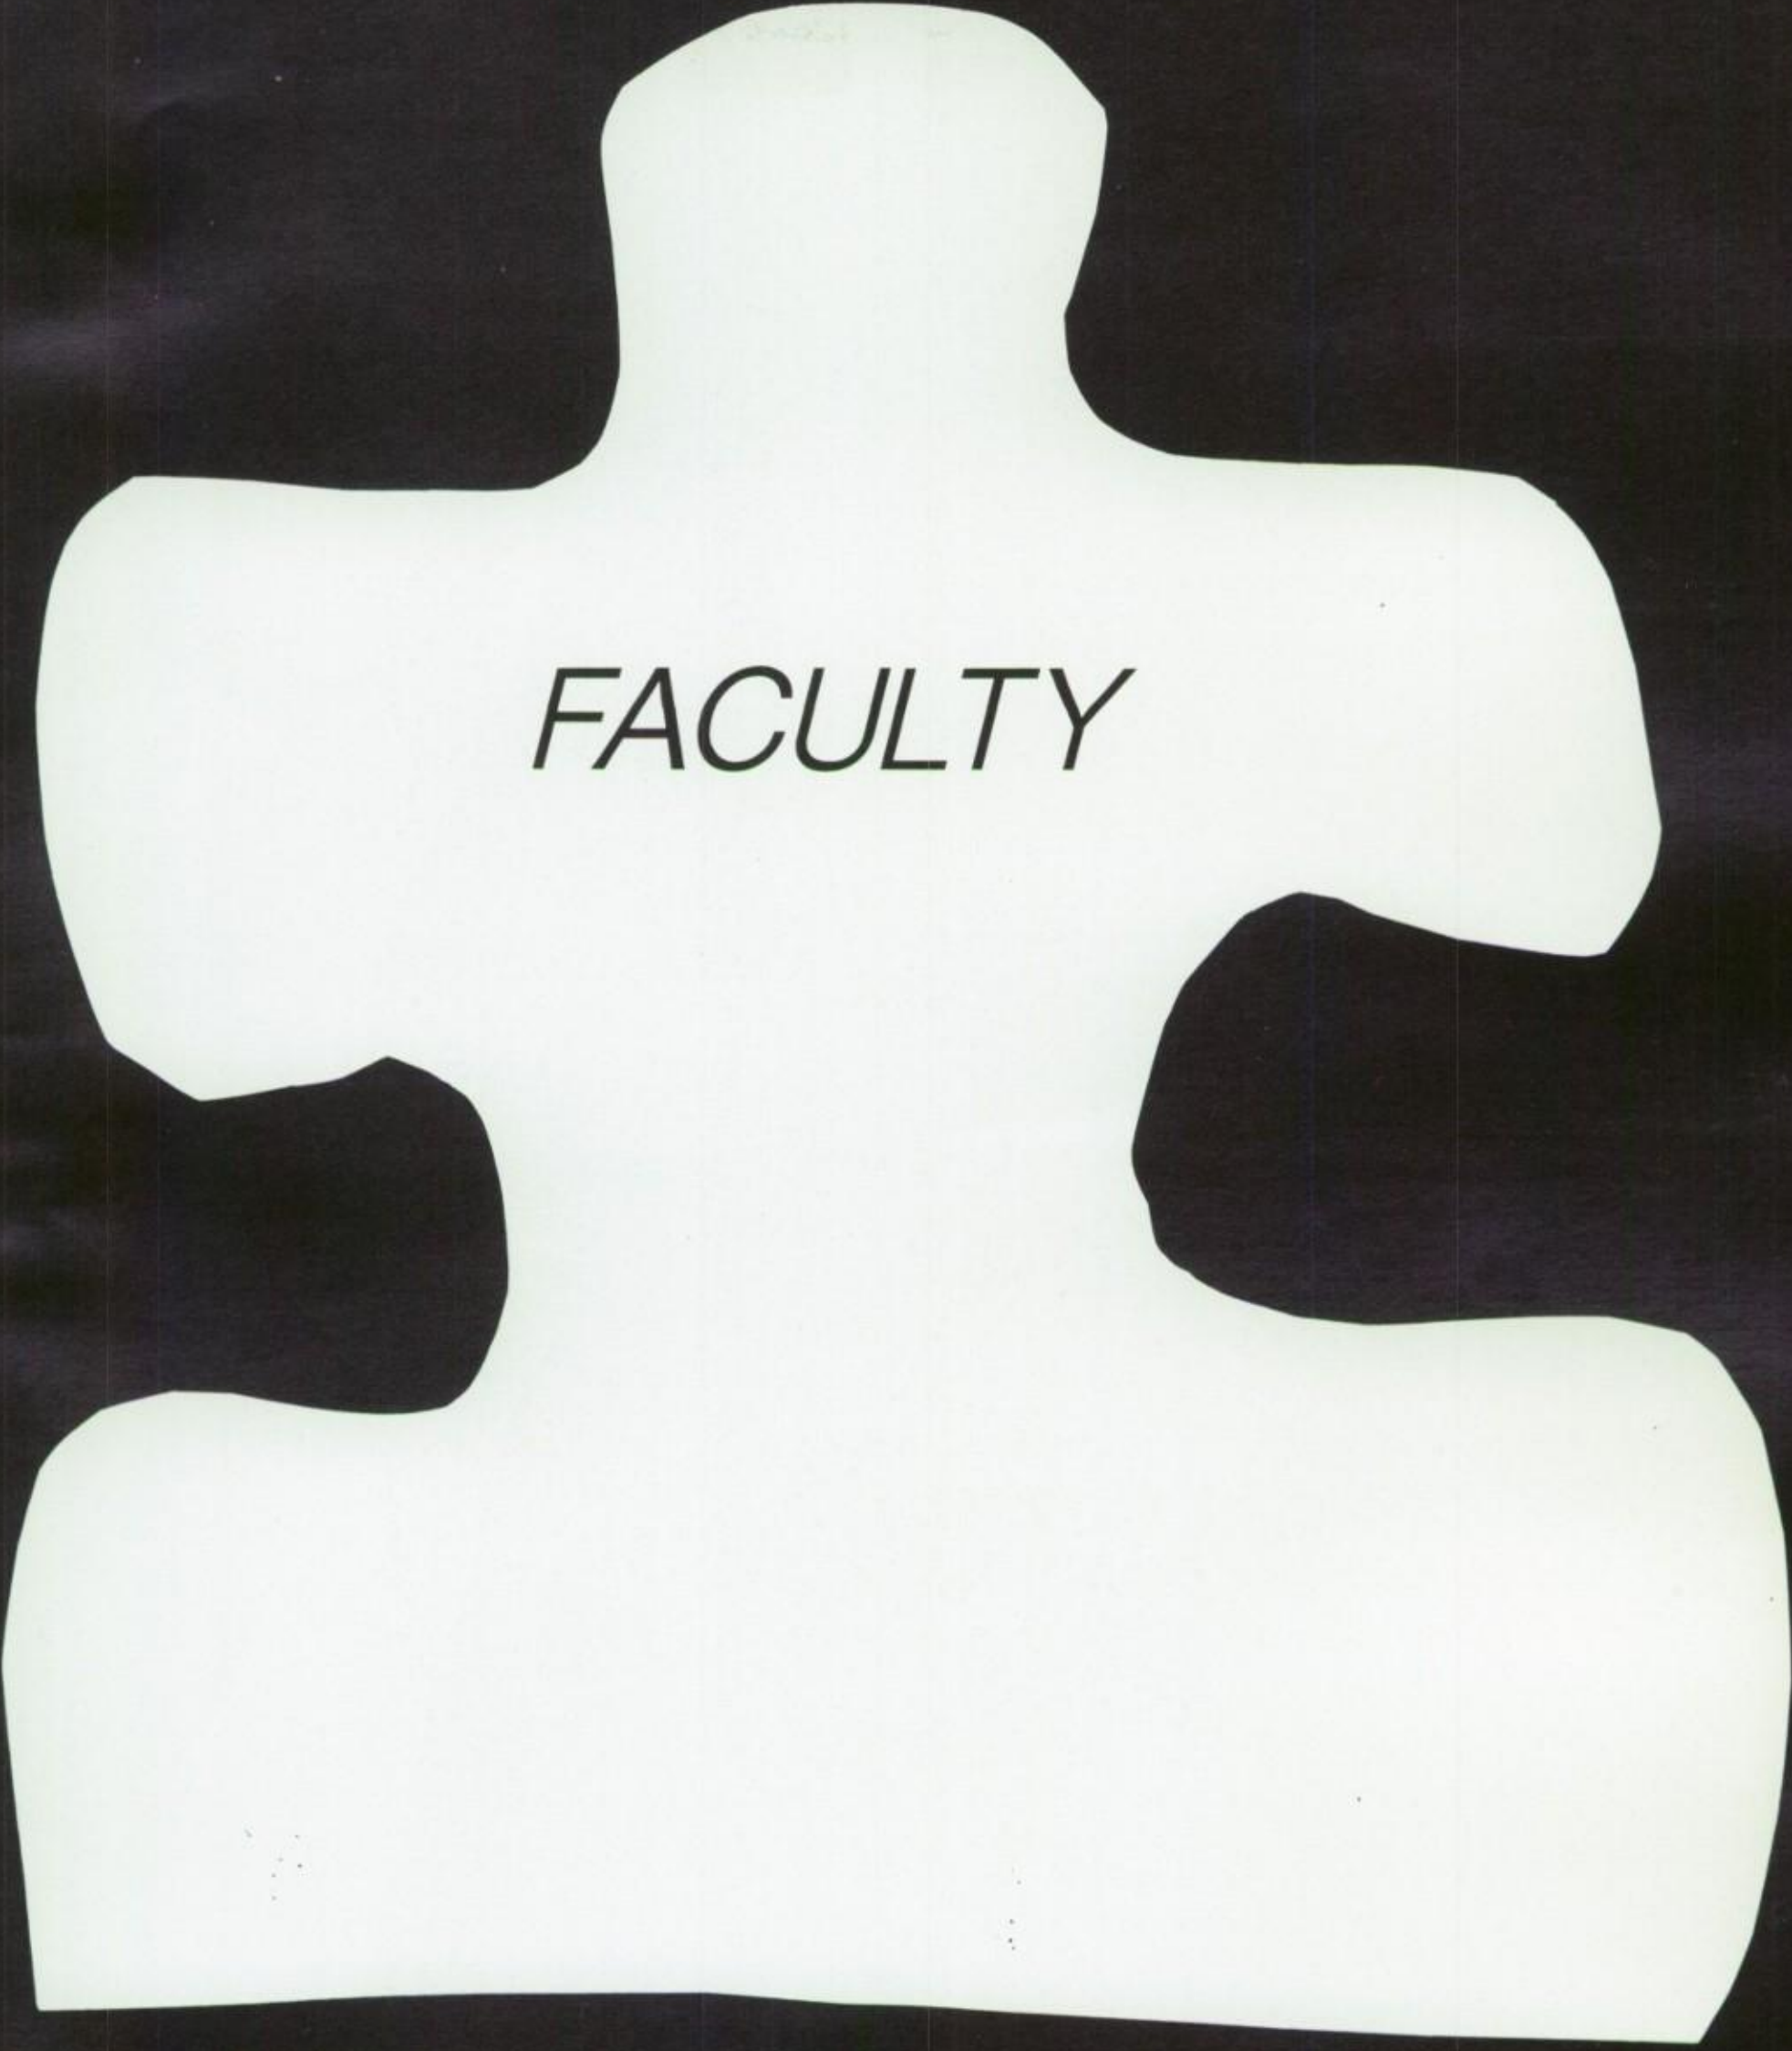

Alma Mater

'Til the seas become abated,
And the stars forget to shine,
'Til the clouds obscure the sunlight,
And 'tis darkness all the time.
'Til the raindrops cease their falling
And the winds forget to blow,
'Til this gay old world stops whirling,
N.F.A. our love shall know.

Hail to all her sturdy heroes,
Heroes of the track and field,
Ones who meet no end of victory
Heroes who would scorn to yield;
With a vim and zeal unequaled
They will fight unto the end
Each one knowing 'tis his duty
His school's honor to defend.

Though in the years to come we're severed
From that home we love so well,
In our hearts the golden mem'ries
Of our youth will ever dwell;
So when'ere we see that banner,
And we watch its folds unfurl,
We will cheer for Alma Mater-
N.F.A.-a priceless pearl.

To the Class of 1986

*May you all be successful
in whatever you choose as your
life's calling. Remember that
desire and determination may
be the most important factors
as to whether or not you achieve
what you set out to do; success
comes in "cans", failure in "can'ts".*

Good-bye And Good Luck

This year the Academy bids farewell to four faculty members and three staff members. Mr. Ira Wasniewski, head of the agriculture department is retiring. We wish all the best of luck to him.

Mrs. Rodino, of the Special Education department has left after six years. We wish her a bright future.

After five years in the Business department, Susan Marks is leaving our beautiful campus. Best of luck in future endeavors.

In the Art department, Mrs. Caroline Battisto is taking a sabbatical leave. We wish her luck next year.

In the Staff department, head librarian Mrs. Janice Bausch is retiring after twenty nine years. We wish her all the best in her retirement.

Another library loss after one year is Mrs. June Luini. Good luck in future plans.

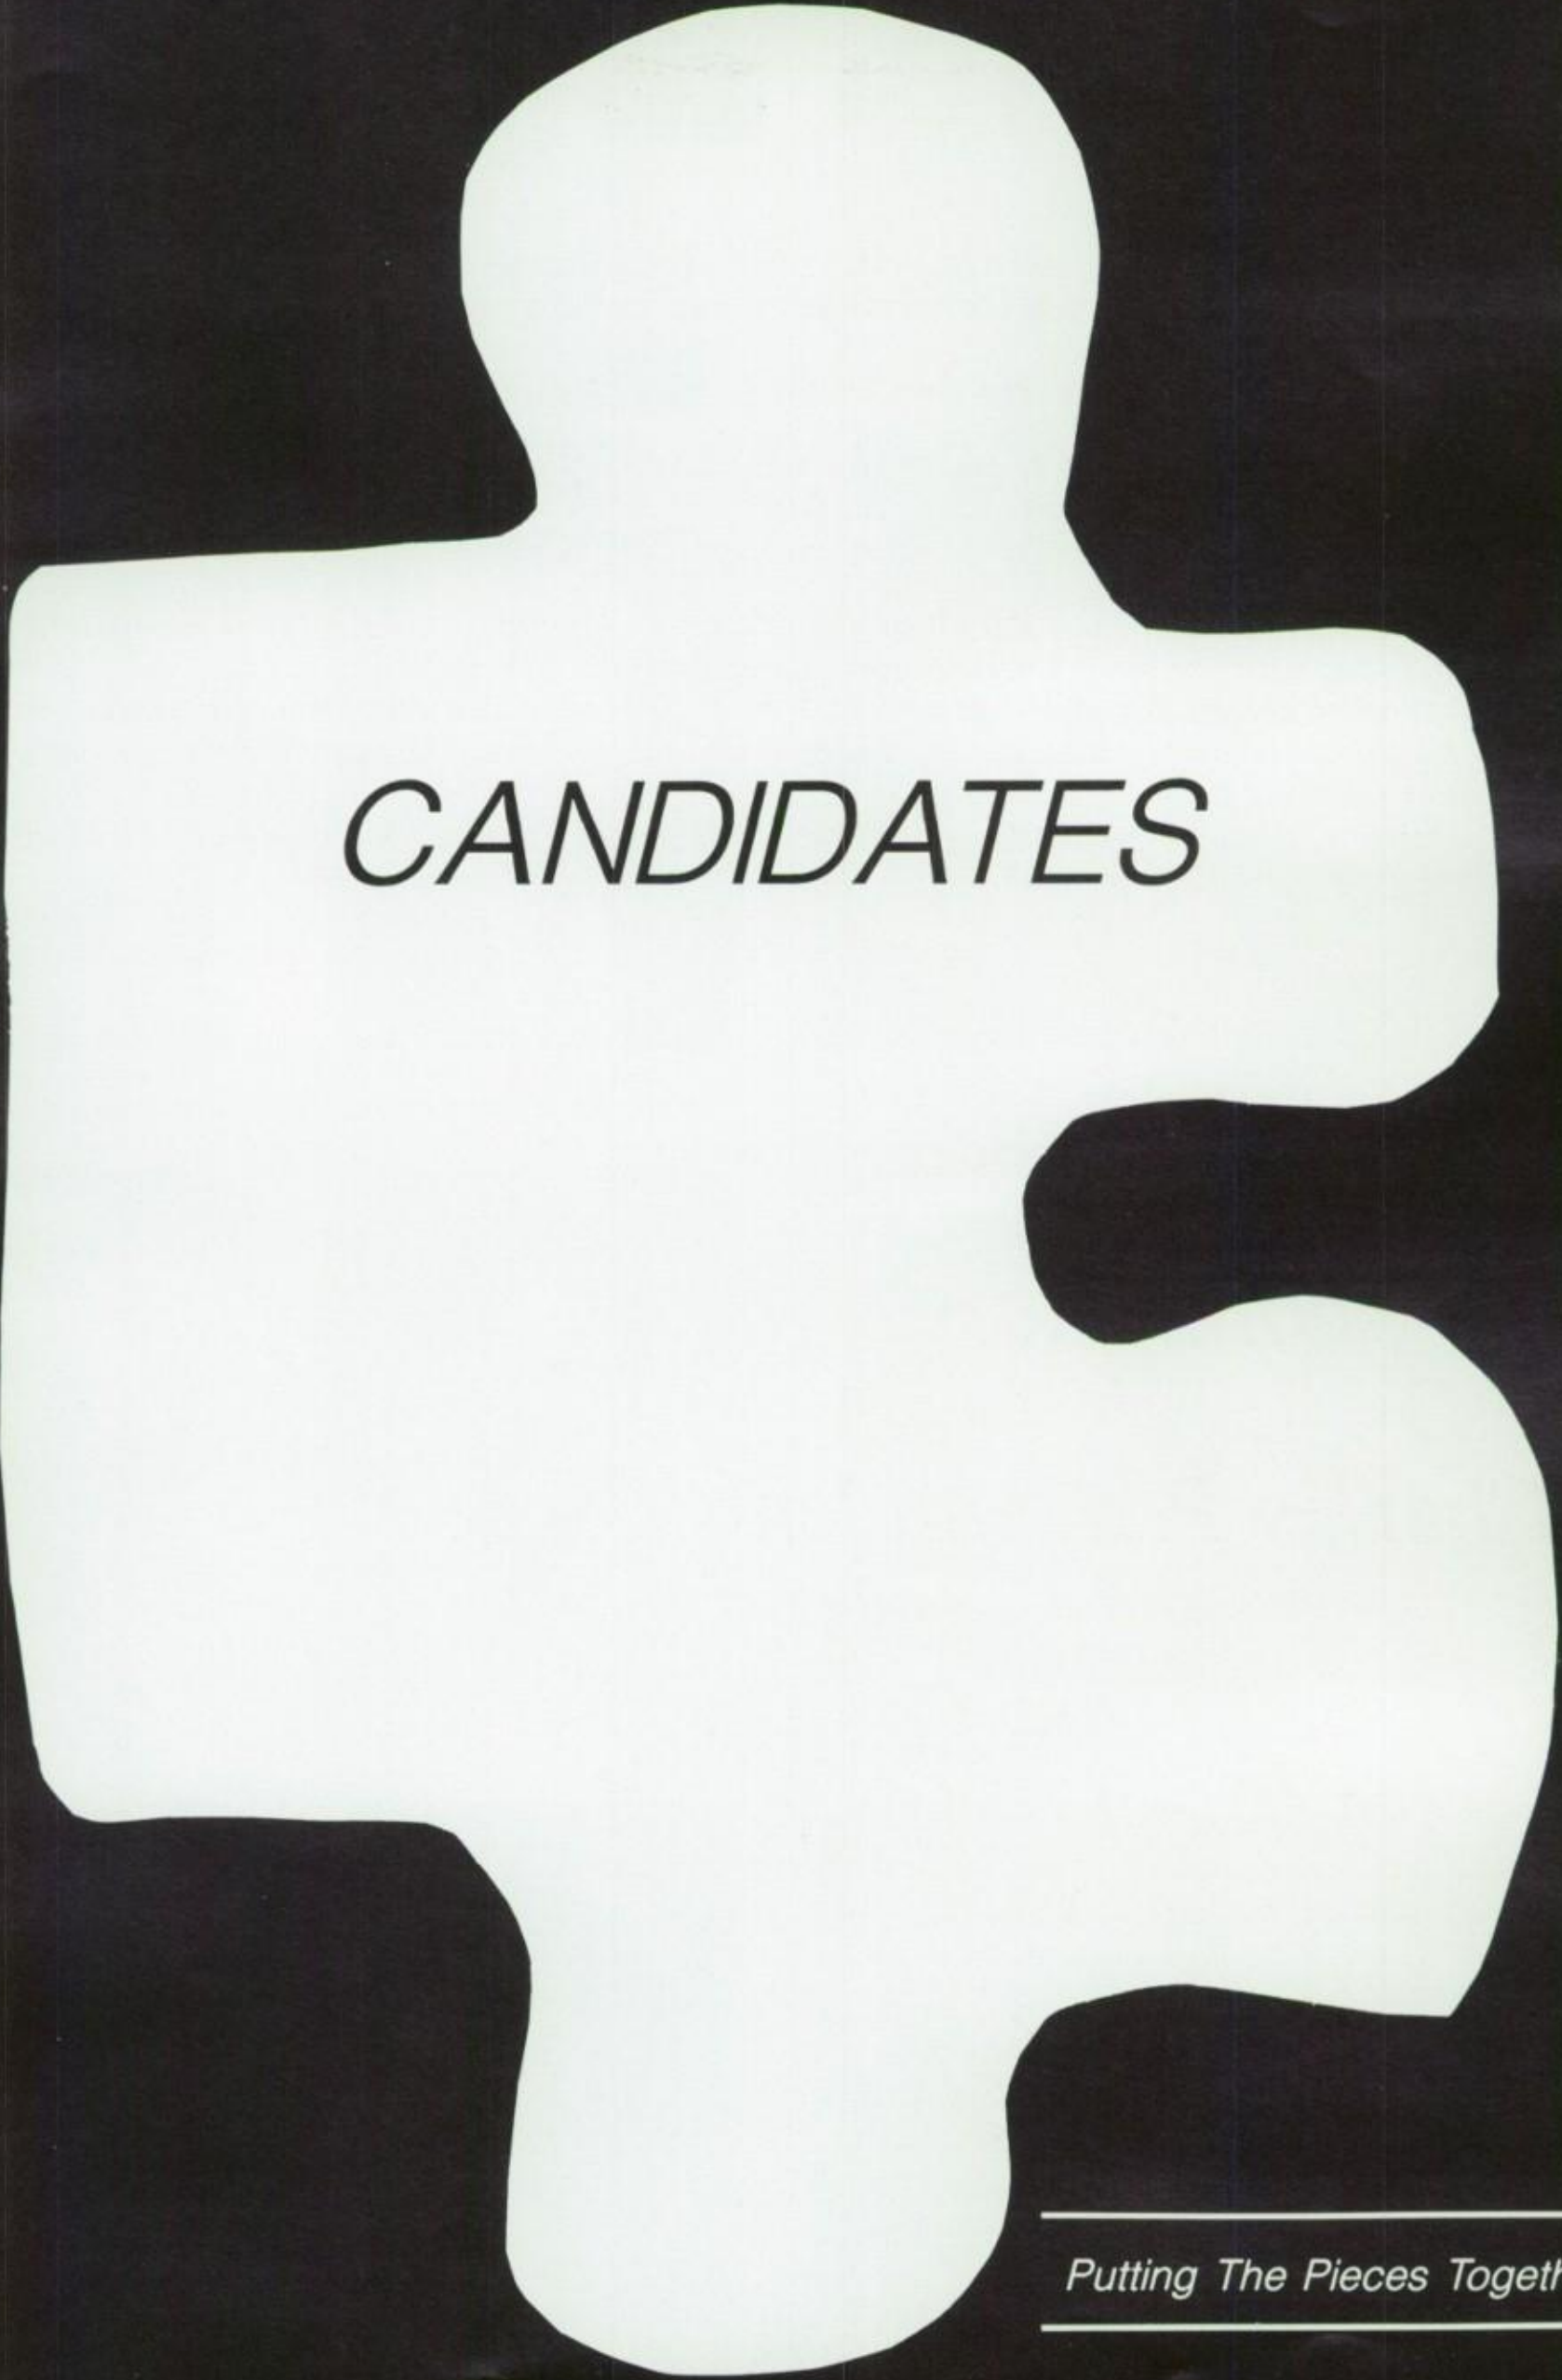

Mrs. Joyce Falvey, our school nurse for sixteen years is leaving this year. We wish you luck and thanks for keeping us healthy!

To all our departing faculty we sincerely wish you a long and healthy life and you will always have our gratitude for being a part of our high school memories!

Twas The Night Before School

Twas the night before school, when all through the town,
Not a student was stirring, not even a sound.
The notebooks were stacked by the door with care,
In hopes that straight A's would soon be theirs.
The Freshman were nestled all snug in their beds,
While visions of seniors stamped in their heads.
And I in my pajamas and my cat in my lap,
Had just settled down for a long winter's nap.
When out on the street there arose such a clatter,
I sprang from my bed to see what was the matter.
Away to the window I flew like a flash,
Tore open the shutters to hear a large crash.
When what to my wondering eyes should appear,
But a miniature bus, and my frightened tears.
With a bold driver, so lively and quick,
I knew in a moment it must be Dr. Diederich.
More rapid than eagles his seniors they came,
And he whistled and shouted and called them by name.
"Now, Ashley! Now, Darlene! Now, Paula and Vinnie!
On Carla! On, Curt! On, Donna and Minnie!
To the back of the bus, now into your seats!
Go on, go on, and don't drag those feet!"
And then in a twinkling I was at the school doors,
The moving and bustling made my anxieties soar.
As I drew in my head and was turning around,

Down the stairs Dr. Diederich came with a bound.
He was dressed all in brown from his head to his foot,
And his shoes were shining without a second look.
A bundle of cuts he held in his hand,
And he looked like a judge coming to the stand.
His eyes - how they danced! His dimples - how merry!
His cheeks were like roses, his nose like a cherry.
His set little mouth drew down to the right,
And the look on his face turned as dark as the night.
The stump of a pipe he held tight in his teeth,
And the smoke, it encircled his head like a wreath.
He had a broad face and a little plump belly,
That shook when he yelled, like a bowl full of jelly.
He was chubby and plump, a right jolly old self,
And I laughed when I saw him, in spite of myself.
A blink of his eye and a twist of his head,
Soon led me to realize I had everything to dread.
He spoke not too much, but went straight to his work,
And passed out the cuts, then turned with a jerk.
And laying his finger aside of his nose, and giving a nod,
Up the stairs he rose.
He sprang to his desk, to his team gave a whistle,
And away they all dashed like the down of a thistle.
But I heard him explain, ere he might of said,
"Good school year to all and let's use our heads!"

Are Your Feet Fashionable

Are your feet fashionable? On the campus of NFA, we found a variety of footwear from ankle boots, flats, and pumps, to Nikes, hiking boots, and yes, slippers. At our school, sneakers are the most popular shoes with low-heeled flats coming in second.

If you think about it, shoes are a very important part of your attire, but they are often taken for granted. So go ahead, pick out the most unusual shoes you can find, and put your best foot forward.

A Matter Of Course

As students begin to sign up for next year's classes, they are faced with many different opportunities which were not available to students of past years.

Around the year 1865, just nine years after the opening of Norwich Free Academy, the only available course selections were the Classical, General, Scientific, and Manual Training.

Then in 1946, the Home Economics and Industrial options became available and forty years later is still part of our curriculum. At that time, students went to the top floor of Slater to sign out research books from the library. Also there was a Music room and Drawing room housed on the top floor of the Norton gym.

In 1984, N.F.A. introduced new course guide lines that would enable students to choose which type of diploma they would like to receive to best serve their needs. In addition, N.F.A. students are very fortunate to have such a large Art department and one of only two museums located on a high school campus in the nation.

So whether you take a General, College Preparatory, Business, Industrial or Fine Arts, N.F.A. has the course for you.

One Particle Of The Whole

The School: The Norwich Free Academy - our school. It is one of the largest high schools in the Northeast. No matter how long you have been at NFA, you stand a very good chance of meeting a new face each day and making a new friend.

The School: our school. It is an advanced school with many buildings. Each building has individual characteristics. Main is perhaps the most distinctive as it houses the cafeteria. A walk past Main in the morning lets you know what is on the menu for lunch. A stroll around Commercial keeps you in the dappled shade of cherry trees. Slater moves you through many centuries from early America to present day.

When you walk around NFA,

you can't help but feel its character, its permanence in our community. It is obvious that the school has changed in keeping up with the times and preparing for the future. New buildings, programs and people attest that fact.

The school: our school. We face what many view as a disadvantage. Not only do we change classes but we move from building to building. In the winter we walk through the freezing cold with purple faces looking forward to the warmth of the next class. In the spring and fall we welcome class change and the walk in crisp, cool air.

The school: our school. You belong. You're noticed. You are one particle of the whole.

Excuses, Excuses

Ever since we've started school, we've all heard and used our share of excuses, from the believable to the impossible.

Here are some excuses that you may have heard a fellow student use, or perhaps, you've used yourself.:

For Not Having Homework

I didn't understand it.
My cat/dog ate it.
My mother washed it.
My little brother/sister drew all over it.
That page in my book was ripped out.
I lost it/ or lost the book.
It got wet.
The wind blew it away.
My friend borrowed it and never gave it back to me.

For Being Absent/Late From School

My alarm didn't go off.
I felt sick.
I had a doctor's appointment.
My car wouldn't start.
I missed the bus.
I had to go to a funeral.
I lost my way.
I thought today was Saturday.
I overslept.
I couldn't find anything to wear.

Your Identity

To have identity
is to know what you are
and read it
in the moving water
that creates the stream,
to hear it
from the long and dark echo
of the night
(that one, that never lies),
to remember it
with your first glance
of the morning,
after you have awakened
It is to say what you are
anywhere,
anyway,
anyhow.
To shout it to a crowd
—or to the crowd that exists
in a single pair of eyes—
and, if necessary,
to stand up and defend it.

Denim; A Way Of Life

Every morning thousands upon thousands of students slip into some form of denim. Perhaps even as you are reading this you are sporting your favorite pair of jeans. This style of dress has become a way of living, and one which our society readily accepts.

However, half a century ago jeans or "dungarees" as they were called, were considered work clothes and by no means appropriate in public.

Then came the sixties, a time in changes of attitude toward clothing and life itself. This prompted the more casual mode of dress that we have today.

Still, it was not until 1973 that the Academy allowed girls to wear pants, but jeans were not among those listed appropriate.

Now, half way through the eighties, we are receptive to more varieties of clothing than ever before.

In the near future, N.F.A. will be seeing even more changes in denim beginning with a strong trend in fashion toward wearing the bleached-out, torn and worn look, an actual revival of the late sixties.

So whether you wear it tie-dyed, paisley, stone washed, or classic blue, make denim your way of life.

Putting The Pieces Together . . .

Victory Eludes Wildcats, But Pride And Enthusiasm Grow Stronger.

"The Mignault Dynasty begins here!" - Senior Captains

1985 marked the first season in which Brian Mignault was the head coach of the NFA football program. It began a dynasty which will eventually renew the winning tradition at NFA.

The 1985 Wildcats produced a 2-8 record. Although this first season under Coach Mignault seemed unsuccessful, it was in fact very successful, and an important step in starting a winning tradition. Coach Mignault, through the senior captains Erik Hilinski, Lee Ducharme, Joe Green, and Dave Chrzanowski, started a sense of pride and enthusiasm which spread within the players throughout the season. This pride and enthusiasm began to peak during the final three games of the season, when the

Wildcats played outstanding physical and emotional football against Waterford, archrivals New London, and Ledyard.

Leading the Wildcats this year were the four senior captains, all of whom contributed 110% to the team. Other outstanding seniors were Floyd Overton, and Tony Nelson. Outstanding underclassmen were Joe Bordeau, John Newson, Craig Raeburn, and Scott Minzy. Both the JV and the Freshmen teams also showed team pride and talent.

With up-and-coming talent, the growing sense of pride, hard work, and dedication, the Wildcats show indications of starting the winning tradition next season.

1985: Rebuilding Season For Wildcat Soccer

"The first step toward a winning tradition is realizing one's potential."

-Coach Brunetti

The 1985 Wildcat soccer team was faced with a difficult rebuilding season. After graduating 8 seniors in 1984, the '85 team had only 4 seniors to lead it through a tough 14 game schedule.

Although producing only a 3-11 record, the Wildcats started the season winning two out of their first three games. Their third victory came mid-way through the season, when they defeated Morgan High 1-0.

Leading the Varsity squad this year were Senior captains Arnie Williams, Pasquale Amodeo, and Santiago Britos. Outstanding

Uppers were Harry Way, Gavin Glenney, Dean Bonin, and Eric Salzer. Lowers Chris Bernier and Jay Price also played big roles on this year's team, and promise to be good prospects for next season.

According to Coach Steve Brunetti, the JV squad showed good talent, and he looks forward to working with them next season. He feels that if the team realizes its potential early in the season, it will have taken its first step in developing a winning tradition for the soccer program.

Cross Country Season Serves As Building Experience

"There is a good nucleus to build around for the coming seasons."

-Coach Crowley

This year's boys X-country season was fairly successful, with the Wildcats standing 6-4 in dual meets and placing 15th in the Class "LL" Meet. By ranking among the top eight teams in the sectional qualifying meet and later being able to participate in the State "LL" Championship Race, this year's season served as a valuable learning experience for future competitions.

With this year's experience, Coach Kevin Crowley states that the upcoming season looks extremely promising. The team is looking forward to improving its state standing next year, when it returns with all members.

This year's outstanding runners were upper captain Jon Jacaruso, Shawn Magnuson, and Wess Ludlow.

Row 1: J. Tetrault, M. Giardi, W. Ludlow, D. Montie, D. Chidester, T. Gilbert, Coach Kevin Crowley. **Row 2:** T. Hayward, J. Burse, P. Cummings, G. Gustafson, J. Jacaruso, L. Savitsky, S. Magnuson.

Wildcats Running Ahead Of The Competition

"As Good as the Best, and Better than all the Rest."

- Coach LaPointe

The Wildcats had an outstanding record this year, being undefeated 7-0 in all dual meets. In addition, the team ranked 2nd. in the Connecticut State "LL" Division and 3rd. in the State Open. This year's outstanding senior runners were Bonnie Wiese and Capt. Gail Popelka. Outstanding uppers were Robin Willett and Sue Coombs, with outstanding lowers

being Sue Shaw, Mary Murphy, and Abby McClosky. This year's most valuable runner was upper Robin Willett, with the shortest time average overall. Coach LaPointe is extremely pleased with this year's X-Country season and is looking forward to next year when the Cats return with 5 of the top 7 runners.

Outstanding Season For Girls Tennis

"... this season will be remembered as one of our very best."

-Coach Shearer

The girls tennis team had an outstanding 1985 season. They produced winning streaks of 6 and 3 matches, broken up by only two losses, in accumulating a final 10-2 season record.

This year's team was led by seniors Chris Wood, Andrea Vasington, Sharon Donovan, and Shiela Weathers, all of whom had outstanding individual records.

The number one singles player this year was Freshman Dee Passarello, who compiled an 11-1 record. Upper Kristen Baker was second in singles with a 10-2 record. Both players went to the SE Tournament and won their first

round matches.

The top doubles players were, Karen Krupp, Jennifer Blinderman, and Shiela Weathers. Jennifer and Shiela also went on to the SE Tournament along with doubles players Chris Wood and Andrea Vasington. Their victories in the first and second rounds contributed to NFA's 3rd place standing in the 1985 SE Tournament.

The JV team, which showed outstanding talent, also had a very respectable record of 9-2-1. This new talent, coupled with the talent of 5 returning lettermen, indicates that the 1986 season will also be successful.

Row 1: Coach Shearer, S. Weathers, C. Wood, A. Vasington, M. Jacaruso, S. Leone. **Row 2:** C. Podeszwa, L. Bulanhagu, L. Bourque, S. Donovan, K. Krupp, K. Baker, B. Alexander, J. Pride And Determination Lead To Another Winning Season

"Despite playing against its toughest basketball schedule, the players rose far above preseason expectations." -Coach Chris McKeon

The 1985-86 basketball team was faced with its toughest game schedule in recent years, but their pride and determination helped them to compile a successful 14-8 record and a trip to the Eastern Region LL State Tournament. In the opening round of the tournament, NFA defeated highly ranked Notre Dame 47-46. The team then went to the semi-finals, where they lost by only 4 points to Hillhouse, the 4th highest ranked team in the nation.

Outstanding Senior Co-Captain Greg Keith set the tempo for the Wildcats by scoring the most points this season, and also by setting the school

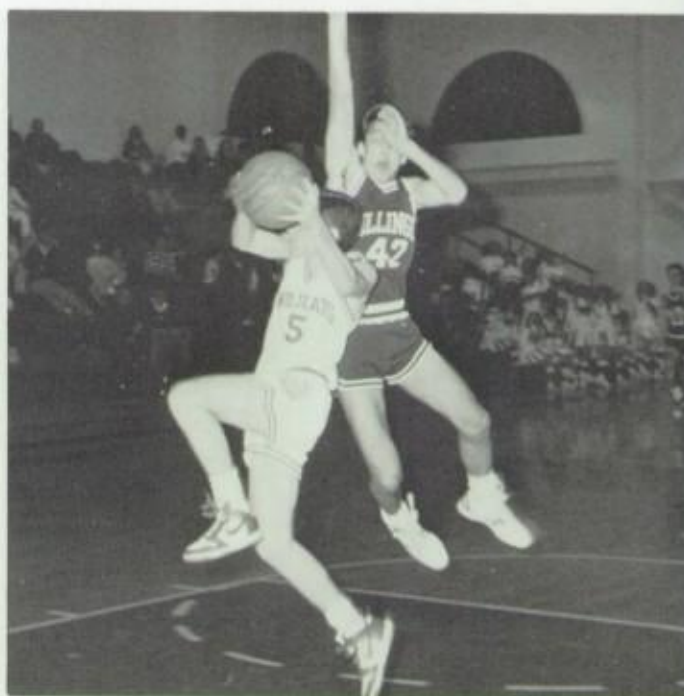

record for most points scored in one game. Along with Keith, outstanding Senior Co-Captains Joe Green, and Kevin O'Neil, also headed this year's team.

Coach Chris McKeon and the team will miss these captains, along with seniors Jon Henn, Jon Hull, Kevin Burke, Greg St. Clair, and Terry Williams. However, he waits with anticipation for the return of outstanding uppers Chris Hinchey and Emmett Riley and the rest of the underclass players, and he hopes to continue the pride and determination which helped the Wildcats to be successful in 1985-86.

A Difficult Season For the Wildcats

"We made some progress during the year and hope that next season we shall have the benefits of playing a young team."- Coach Giardi

Having returned with only one letterman, Lisa Wiese, the basketball team had a very difficult season this year. In addition, after an injury to Bonnie Wiese, the underclassmen were the mainstay of the team. Despite their difficulties, however, the Cats made some progress during the season. At the second New London game, the team was trailing 18-10 at half time, but responded by beating them 22-9 in the last half to claim their second victory.

This year's most valuable senior players were Bonnie Wiese and Capt. Lisa Wiese, with most

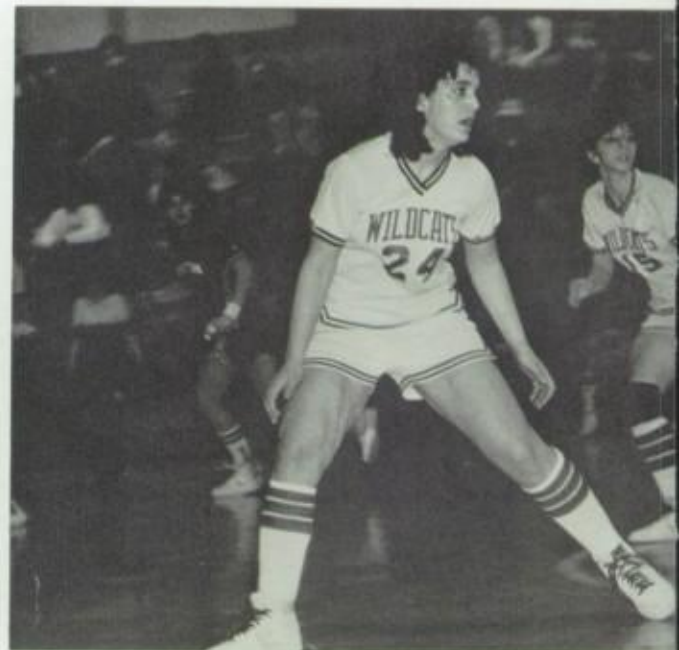

outstanding uppers being Robin Willett, Ruth Grant, and Jamie Pina. The outstanding lowers were Nini Pilotti, Sue Shaw, and Dawn Deslandes.

The team is looking forward to next season when they return with a group of experienced players. However, Coach Giardi feels that the team lacks the height to give them an outstanding season, and he believes that if they are going to qualify for the state tournament, their speed and performance will have to compensate for the lack of tall players.

Row 1: Coach P. Giardi, Capt. L. Wiese, B. Wiese, Coach W. Scarlata. **Row 2:** E. Moore, L. Fisher, D. Passarello, R. Artis, S. Kinel, S. Shaw, J. Smith, J. Pina, K. Rudd, R. Grant, D. Deslandes, A. Underclassmen Runners: Mainstay Of Team

Injuries and illness took their toll on what could have been an outstanding season."

-Coach McGrath

The 1985-86 track season was slightly hampered by injuries and illness. However, the Wildcats were able to fight these hurdles and produce a successful 6-4 record. Season highlights included quality performances by John Newson, Tony Nelson, Lee Ducharme, Floyd Overton, and Todd Hayward in the Class L State meet. The team placed fifth in this meet.

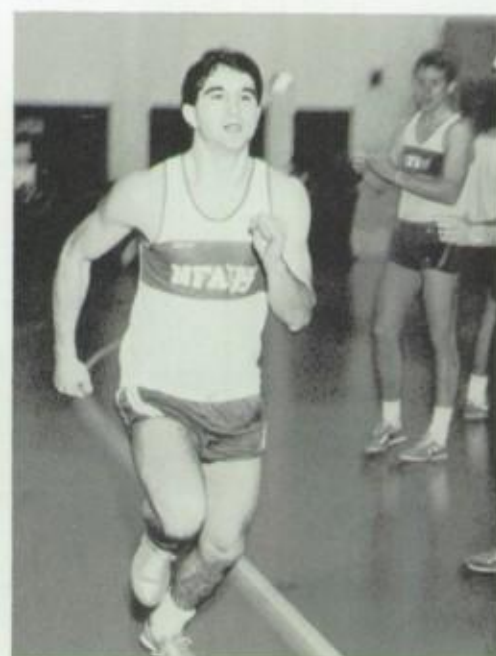

This year's team was led by Senior Captains Lee Ducharme, Lee Roethel and Tony Nelson. These seniors along with Dave Chzranowski and Floyd Overton will be missed after this year.

Seven of this year's top ten performers were underclassmen. Led by top point scorer John Newson, and uppers Shawn Magnuson and Jon Jacaruso, next season looks to be very successful.

NFA Gymnasts Vault to Successful season

1985-86 . . . a year of transition and growth.

-Coach Noyes

The 1985-86 gymnastic team was largely composed of underclassmen. Although young, and many inexperienced, these gymnasts strongly helped the senior veterans of the team to produce another winning season for NFA. The final record was 10-2.

Many season highlights will be rembered by this years team. Perhaps the most exciting was the NFA-Stonington meet, a meet in which NFA trailed Stonington by two events and then pulled out the victory as the whole team displayed outstanding performances on the balance beam. Final score: NFA 119.85, Stonington 114.85.

Leading the team this year were Senior Captains Kathy McNaughton, and Sharon LeBlanc. Sharon, and freshmen Linda LeBlanc were the most valuable gymnasts this season, both qualified for the Class L Championship, and the State Open.

The team will miss this years captains along with the rest of the seniors— Chris Carbonaro, Cynthia Smith, Sarah Smith, and Angela Whitney— however, Coach Gayle Noyes looks forward to working with the younger members of the team for the future seasons.

Third Straight Winning Season For Wildcat Swimmers

"A fine season, with hope for more success in next year's competition"-
Coach Zettervall

It was the third straight winning season for the NFA swimmers, with the Cats holding a 9-5 record at the close of the season. In addition to the team holding its competitive rank, three school records were broken. Upper Mark Gendron set the 200 yrd. Individual Medely record at 2:17.77, Upper Pat Vitagliano set the 100 Backstroke Mark at 1:03.91, and senior Jim Fuery established a new 100 Freestyle Mark of 53.08.

This year's other outstanding seniors

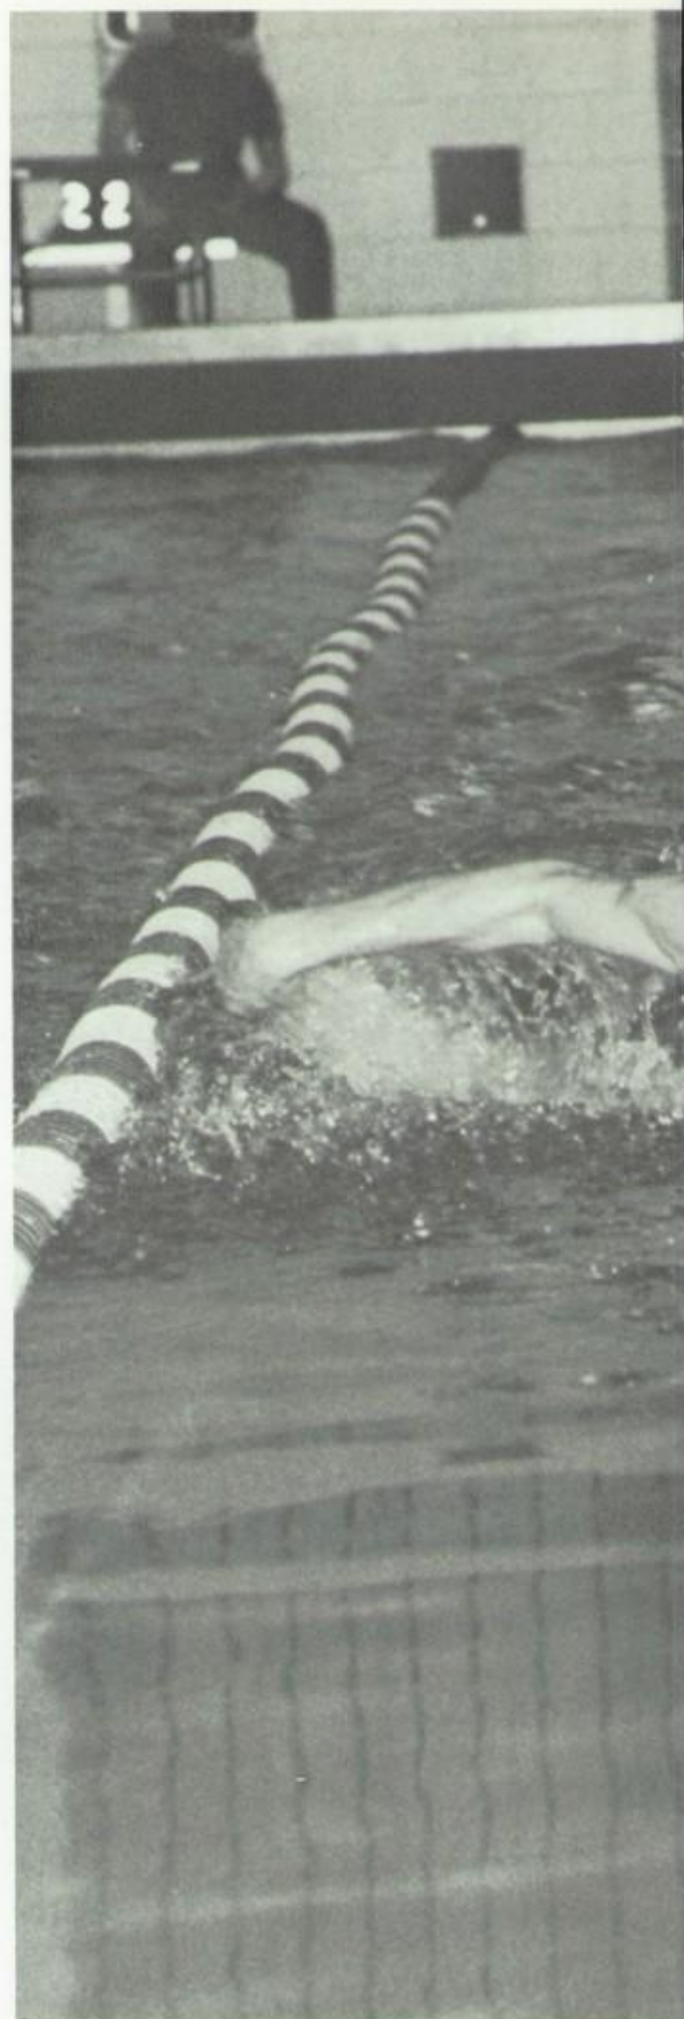

were Michelle Leon (backstroke), Randy Coutu (freestyle), Glen Sauro (butterfly), Santiago Britos (freestyle sprints), Todd Fisher (freestyle sprints and butterfly), with outstanding uppers being Joe Lavio (butterfly), Stacey Simons (backstroke), and Mike Cronin (breastroke).

This year's swim team did exceptionally well, and with an experienced group of seniors returning next year the Wildcats may have the potential for another highly successful season.

Wildcat Wrestlers Continue To Dominate Opponents

"... best season yet for the NFA wrestling team."

-Coach Snitkin

The 1985-86 wrestling season was perhaps the best in NFA wrestling history. The Wildcats totally dominated opponents, producing a 23-0 record and a 4th consecutive state championship.

Leading the team this year were senior captains Erik Hilinski, Mike Senecal, and Mike Mathieu. Hilinski, who was the most outstanding wrestler, went undefeated in 23 matches, was the Class LL champion, and was the runner-up in the State Open. Hilinski also broke 3 school records—most varsity wins over a 4 year period, (62), most pins in a single season, (19), and most team points in a single season, (135)—during his final campaign as a Wildcat wrestler. Other out-

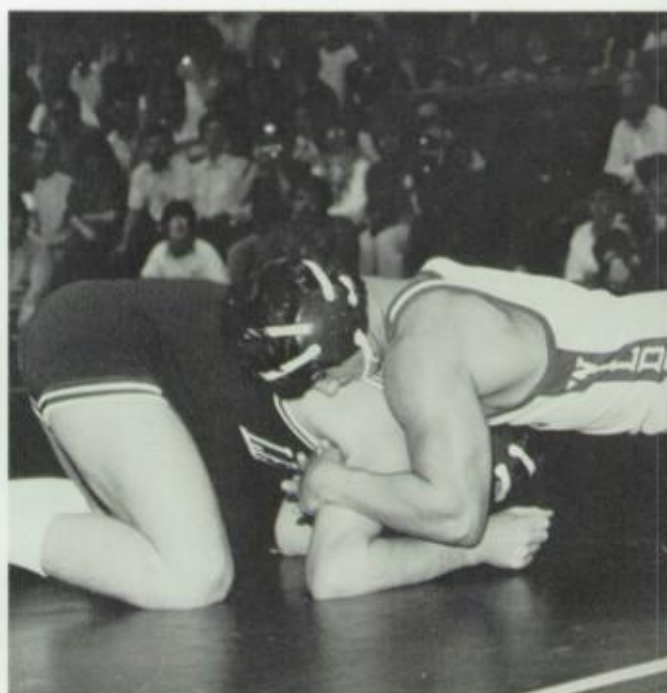

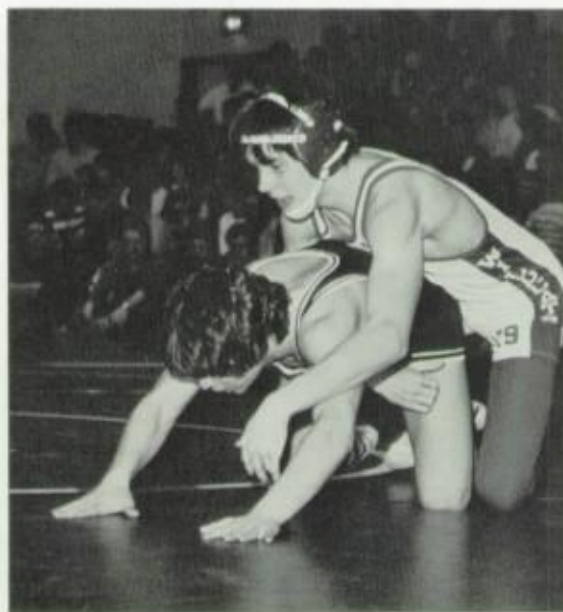

standing senior wrestlers were John Crooks, Brian Hinze, Gene Gagliardo, Steve Krupp, Todd Benjamin, and Chris Anderson. The most outstanding underclass wrestler was sophomore Doug Senecal, who produced an individual record of 21-1, placed 2nd in the Class LL Championship, and 3rd in the State Open.

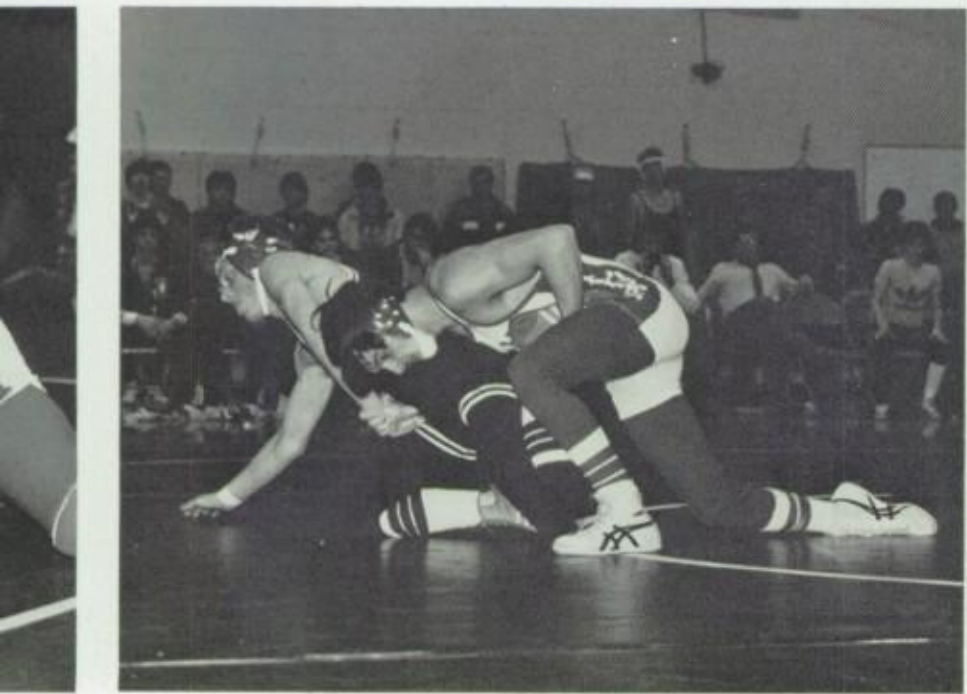

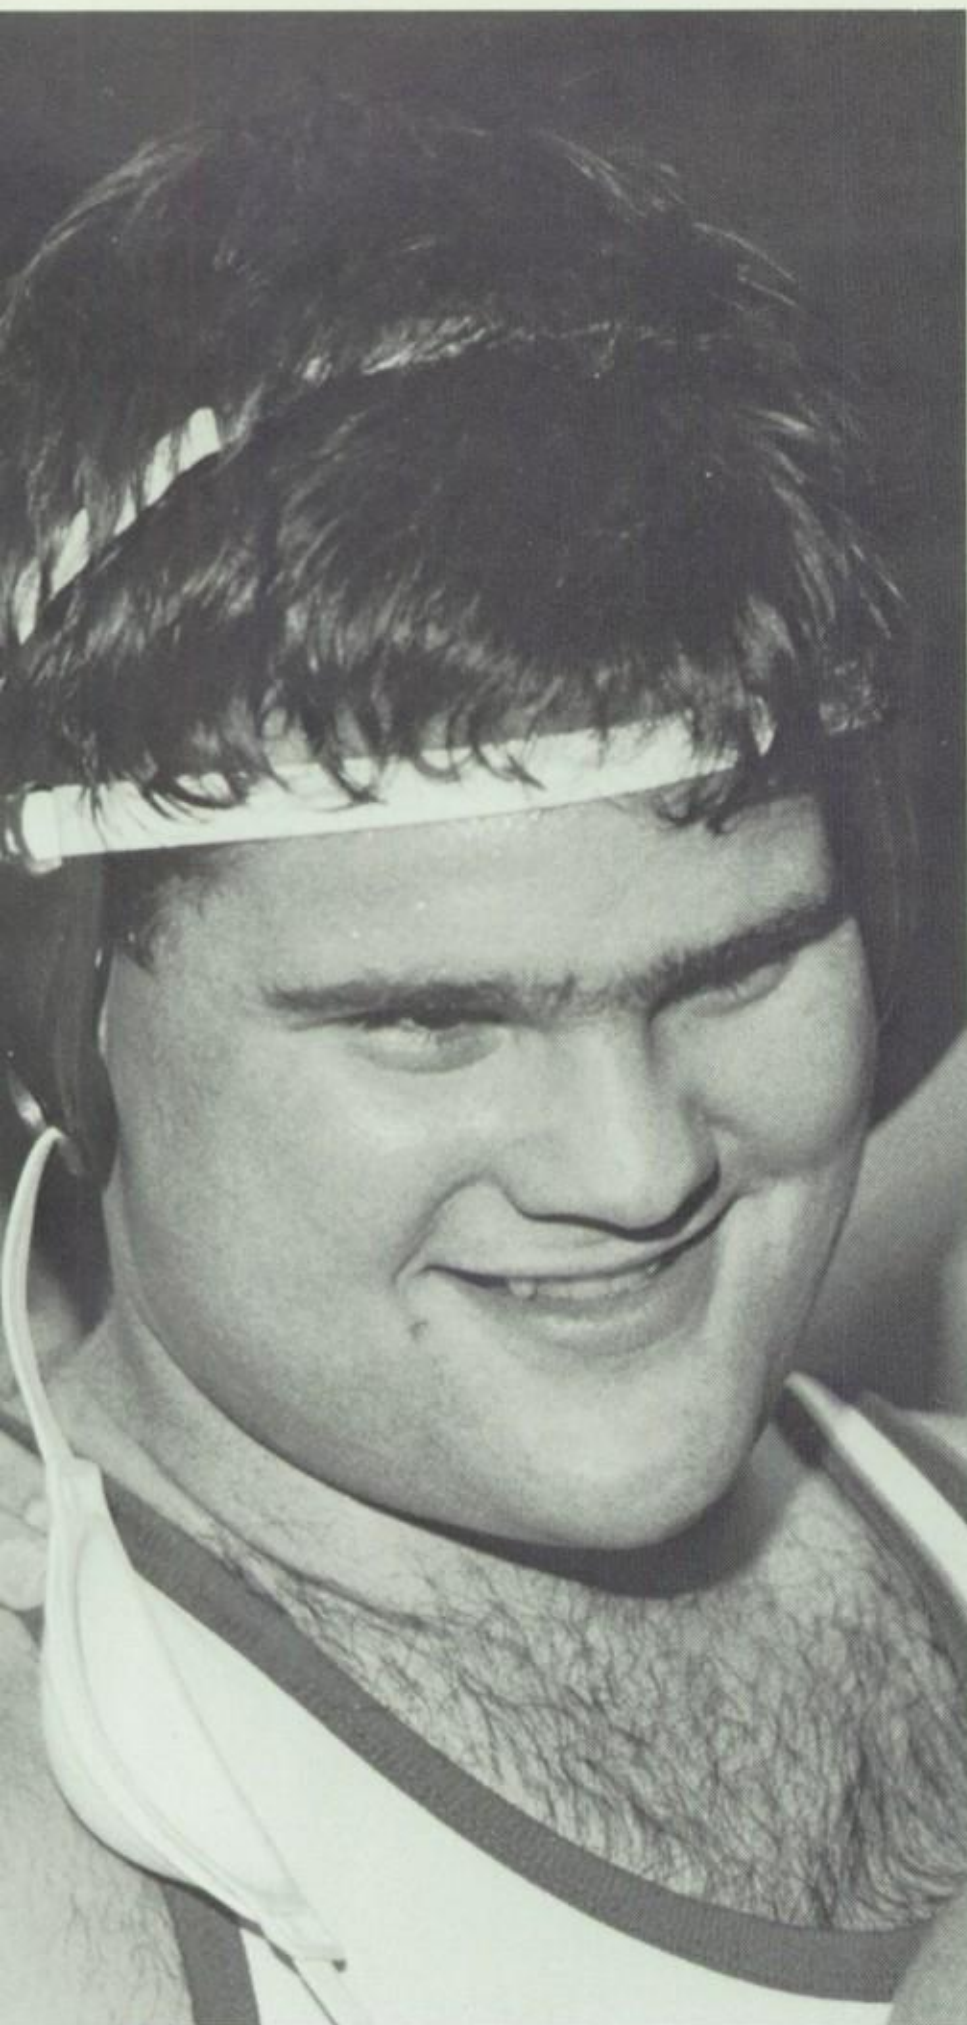

This years team will graduate 9 starting senior wrestlers. Although they will be missed, Coach Snitkin feels that good leadership from future captains Rick Blinderman, Doug Senecal, and Rob Larose, will help to make next years young team successful.

Wildcats Outgun The Competition

"With continued support, the rifle team will win many more state championships."-Capt. Dan Dennis

Having been defeated twice by Ellis Tech. in previous matches, the Wildcats stood 12-2 as the end of the season approached. Despite their losses, the team performed its best during the last few weeks of the season, pulling together in the State Championship Match to defeat Ellis and repeat as state champions.

Top scorer Kevin Lindell, along with

Captain Dan Dennis and all staters Joe Trocki, Leslie Lichtenstein, and Chris Adams helped support the team during both the season meets and the championship match. Although three of the top shooters will be graduating, Coach Adams feels that the team has a strong nucleus to build upon for next year, when the Wildcats could take another state title.

Wildcat Tennis Team Enjoys A Successful Season.

"The young players grew stronger and progressed well."

-Coach Lapointe

The 1986 tennis team had a successful season, finishing with a strong 9-3 record. The season included winning streaks of five and four meets. It was also highlighted by an upset victory over East Lyme. Named the strongest team in the area, East Lyme lost to the superb performances of the Wildcat varsity squad.

Leading the team this year were Senior captains Paul Fitzgerald and Matt

Robb. Outstanding upper Clemens Kuhlrig, was named the teams most valuable player. Other outstanding underclassmen were Everett Smith, Robert Parija, Jeremy Nickolenko, Vlado Coric, and Jordan Betten.

With the loss of only two seniors this year, and the return of many lettermen, the outlook for next year looks very bright.

Lady Wildcats Post An Undefeated Season Record!

" Undefeated for the third time in five seasons!"

-Coach Mackowicki

The 1986 Girls Track team completed another successful season, finishing undefeated for the third time in the past five years. They were able to maintain consistency all season, producing an 11-0-1 record. The team also placed 3rd in the State Open led by individual state champions Renee Goupille (discus), and Chris Wood (javelin). Also competing in the State Open were Carol Beale, Sue Shaw, Mary Murphy, Claire Chesmer, Sharon Lord, and Nadine LaFare.

Season highlights included: a 1st place victory in the heptathlon for Carol Beale at the New Britain invite, Renee Goupille finishing undefeated in the discus, and Chris Wood placing second in the javelin contest at the National T.A.C. meet in Nebraska.

Although the team will miss this year's graduating seniors, many of the top point scorers will be returning next year and will hopefully lead the team to another successful season.

Boys Track Runs By The Competition!

"Many fine athletes will be returning to continue the winning tradition."

-Coach McGrath

The 1986 boys track team was very successful. Besides finishing with a fine 13-3 record, the team placed many runners and throwers in the large invitational meets and the state meets. Upper John Newson took two first place medals in the State Open, winning the 200 meter dash, and the long jump. In the "LL" State meet, upper Mark Godfrey won the high jump, and Lee Ducharme took 2nd in the shot put.

This year, Newson broke school re-

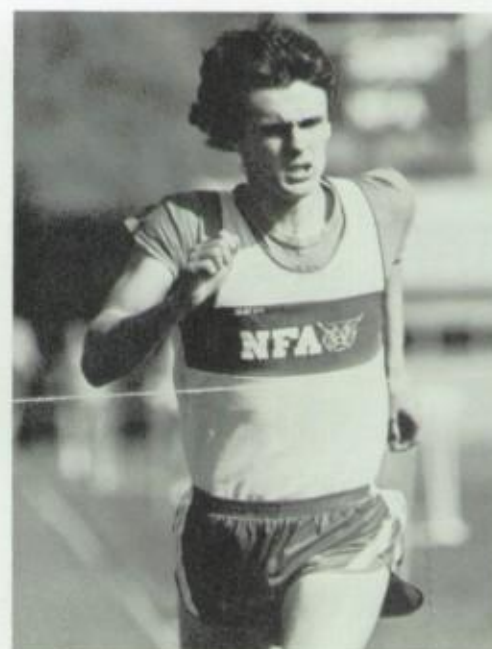

cords for the 100 meter dash (10.7 seconds), the 200 meter dash (22.34 seconds), and the long jump (22'10½"). Jon Jacaruso also broke a school record by lowering the time in the 1600 meter run to 4:29.

Although three key seniors will be missed, many of the top point scorers this year will be returning next season to lead the team to another winning season.

Unfortunate Breaks Hurt Wildcats In 1986.

" A few positive breaks could have led to a better season."

-Coach Iovino

The 1986 baseball team finished the season with an 8-12 record. It marked the first time in four years that the Wildcats did not qualify for the State tournament. Despite this fact, there were several exciting games and highlights. The most exciting game was a 10-8 victory over New London. Trailing 8-4 in the final inning, the Wildcats scored 4 runs- capped by a three run homerun by Rudy Kukich- and tied the game. Then in

extra innings, Kukich came through again hitting a 2 run homerun, giving the Cats the victory. The season also saw the fall of two school records, as Senior Jon Henn hit 9 homeruns, and batted an outstanding .454.

The freshman team had a very successful season, and the J.V. team also produced a winning record. With this success, the future for the Wildcat baseball team looks very promising.

Wildcats Make C.I.A.C. Playoffs For The 5th Consecutive Year.

"Another solid year by the Women Wildcats."

-Coach Skolnick

It's been a highly successful year for the NFA softball team with the end of the season record standing at 12-8. Shortstop Crystal Deschamps and Capt. Lisa Wiese provided a strong defense throughout the season, while strong offense was supplied by lead hitter Chris Johnson and Andrea Vasington. Their support, along with outstanding pitching by Southeast Conn. selection Jennifer Janic, allowed the Wildcats to advance to the C.I.A.C. Playoffs for the fifth consecutive year in a row.

In addition to making the playoffs again, the Cats also had the enjoyment of beating Windham

4-3 at Eastern Conn. State University. Windham had been last year's Class Semifinalist and had not lost a game in one and a half years of regular season play.

The Wildcats are looking forward to making the tournament again next year, and they will also be contending for a league title as a member of the E.C.C. As of now, it appears that there is a good nucleus of veteran players for next year, with a strong defense headed by Chrystal Deschamps, 2nd baseman Jen Roberge, catcher Gina Lucente, center fielder Karen Krupp, and pitcher Jennifer Janic.

NFA Golfers Are Putting Their Way To The Top!

"We mourn the leaving of the seniors . . . but look forward to working with the younger members."- Coach Driscoll

The NFA golfers experienced another successful season with twenty wins and seven losses, not once losing a home match at Pautipaug c. c. The 1986 varsity had a near miss, being just four strokes shy of the Eastern Connecticut Invitational crown with a 359 for a fourth place finish.

In addition to their regular season success, the Wildcats also had individual accomplishments. Paul Denicolo, who was a medalist in fourteen of the varsity season matches, was invited to play in the State Individual Competition and on

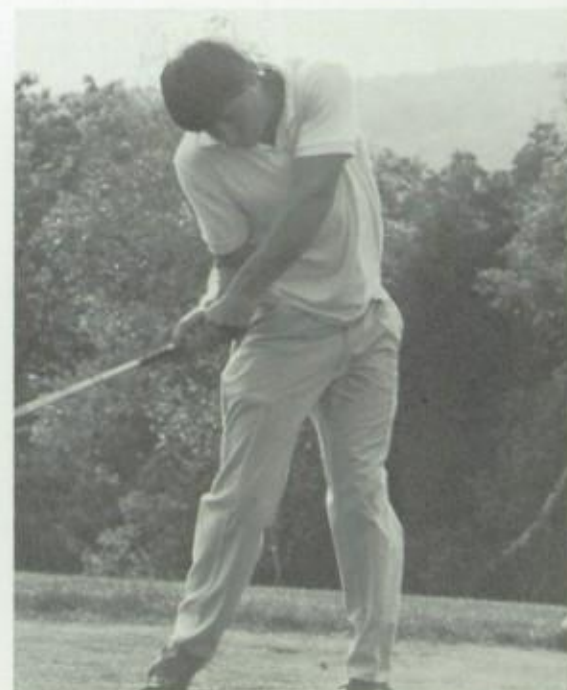

the Southeastern CT. All-Star Team.

The Academy golfers will regret the leaving of Captain Bob Vescovi and Mike Senecal, varsity mainstays, although there is room for hope with the return of such veterans as Paul Denicolo, David Navik, Rick Blinderman, and Marc Pointe. Also Coach Dan Driscoll expresses optimism for the younger members of the squad such as Dan Harris, Nick Tamburrino, Steve and Scott Suplita, Todd Bordon, Mike Fitch, and Doug Senecal.

Future Farmers

The F.F.A. Club for 1985-86 was depleted in numbers, most importantly their advisor, Mr. Ira Wasniewski. Fund raising and class activities were limited due to the advisor's departure, but it did not damper the club's accomplishments and goals for the year.

-Mr. Jon P. Pinkey, Advisor

Row One: C. Riley, I. Parker, Mr. Pinkey, advisor, K. Daniels, P. Ryan

Outing Club

Helping to give a sense of activities out-of-doors has been what the outdoor club, here at N.F.A., has been promoting for the past five years. Through organized activities, such as bicycling locally and across the region, skiing slopes in Southern Vermont, and practicing map and orienteering on hikes in Pachaug State Forest, the club has touched many students' imaginations for recreation and adventure.

Officers: D. Donovan, D. Norman, Advisor Mr. Young, J. Strouse, S. Parija

Math

When people hear about the Math Team, the term "nerd" might come to mind, but this is a false image. We are a group of teenagers who convene about six times a year eager to have fun and participate in an activity with other teenagers of surrounding schools. The club emphasizes the excitement of mathematical competition. Ours is an exercise of the mind rather than of the body.

Row One: C. Ferrie, K. Martin, S. Geer, D. Peikes, C. O'Neal, J. Paride **Row Two:** J. Taylor, R. Taylor, J. Gere, J. Hersh, C. Blake, L. Gilliland, Advisor Mr. Lemaire

Cranston House Council

The Cranston House Council is a group of twenty dedicated people who are willing to get involved in student government.

Decorating bulletin boards and catering doughnut sales are just a few examples of the services and fund raisers Cranston House Council has provided in order to make the Cranston House Building a better place to be.

Row One: H. Spencer, K. Bellisario, C. Harding, R. Amaro, C. O'Neal **Row Two:** J. Belli, D. Moriarty, C. Holzworth, L. Theroux **Row Three:** J. Peringer, L. Lichtenstein, J. Marcavage, C. Socha

Computer

When one thinks of a computer club, one thinks of a group of nerds breaking into the First National Bank. We want people to know that the computer club is a place of learning. Most members are non-computer users that have come to learn how to use them.

Throughout the year we engage in special projects that will get everyone involved while serving a useful purpose. The computer is the wave of the future and we're just ahead of our time.

Jr. Chorus

The Junior Chorus of N.F.A. is only one of the many musical groups on campus and certainly of equal quality. The Junior Chorus enjoys an active schedule which includes various performances during the holidays and throughout the year.

Row One: C. Flemming, K. Robbins, K. Nunes, A. Stott **Row Two:** C. Belanger, V. Phillips, J. LaChance, B. Oddie **Row Three:** Advisor Mr. Gangcarz

Orchestra

When one wants to attend a musical concert, the N.F.A. orchestra seldom ranks atop the list of contenders. We, of the orchestra are working hard to combat this annoying trend.

Under the leadership of first year conductor, Greg Thaller, our activities consist of various exchange concerts with local junior and senior high schools. We want to create a thriving, multi-faced orchestra from which we feel the entire N.F.A. community can profit.

So if you can play a tune on an orchestral instrument and want to expand your realm of friends beyond the N.F.A. boundaries, and you like to have fun, join us; The few. The proud. The orchestra!

Music Club

The Music Club is a student run organization composed of students from the music programs on campus and also of those students who don't belong to any music groups who wish to display their respective talents. The students participate in observing other musical performers via field trips.

Color Guard

The 1985-86 season was a great one for the N.F.A. Color Guard. The squad, led by captain Wendy Confrey and co-captain Diane Lerche under advisor Carol Schultz, work hard all through football season perfecting routines for the half time shows. The squad didn't stop when football was over though, they held fund raisers, participated in three parades and held their annual banquet in December at the Norwich Inn. The squad was great and good luck to you Wendy.

Co-captain Diane Lerche leads the squad onto the field at half time.

Varsity

Throughout the fall of 1985 we cheered for the winners no matter what the final score. Our Varsity squad captained by Heidi Hoodenpyle and Dina Sears accompied the Cat's football team to both home and away games. The Varsity squad consisted of nine Seniors and seven Uppers. All of the Senior football cheerleaders have been cheering the side lines for their entire four years at the Academy and are a prime example of the dedication and enthusiasm connected with the '85 football season.

Junior Varsity

The Junior Varsity football cheerleaders were involved in both J.V. and Varsity home games. The squad was captained by Kellie Tetralt and Penny Jodin and consisted of a mixture of Uppers and Lower. The record of the J.V. football team was, as with the Varsity, not what actually mattered. What mattered was how the players and cheerleaders faced challenges with motivation and determination. The talent of this squad should be reflected in the up and coming Varsity squads.

Row 1: L. Keeley, K. Tetralt, P. Jodoin, B. Queen, R. Amaro. **Row 2:** T. Sangermano, T. Acuna, G. Meskiewicz, K. Criscio, S. Stienman, L. Faragosa.

Varsity

Shortly after the close of the football season came the basketball tryouts and the beginning of a new season. This new season brought the addition of a freshman cheering squad as well as changes on both the Varsity and J.V. levels. With the loss of a Senior cheerleader, came the addition of a talented Upper to the Varsity group and this squad accompied the basketball team to both home and away games. The team's winning season added to our excitement and enthusiasm. The versatility of the squad shined through out the season.

Row 1: S. Maench, S. Wheeler, T. Ingram, M. Boker, S. Spayne, L. Schaefer, S. Chochoms. **Row 2:** K. Crawford, K. Petral, D. Sears, H. Hoodenpyle, R. Kjos, M. Renaldi

Junior Varsity

The J.V. squad was captained by Gail Meskiewicz and Tiffany Acuna. They cheered all home J.V. games and assisted the Varsity when possible. These girls added spirit and color to the side lines. The freshman squad co-captained by Amanda Fredrick and Kim Nunes were a peppy group who cheered all home freshman competitions.

We will be bidding farewell to nine Senior cheerleaders this graduation, however, the friendships made over the seasons of cheering will endure long after June 17th. We have four years of memories that will always make us smile.

STUDENT LIFE

Putting The Pieces Together . . .

Flashback

Looking back at the bits and pieces which comprised our Senior year, we are reminded of the setbacks and advances which united us all.

The summer preceding our Senior year exhibited, once again, Americans banding together for a cause. Singers, musicians, songwriters, and comedians shared their talents with the world to earn money for the less fortunate. The starving people of Africa benefited from the Live Aid program, while Farm Aid assisted the poor American farmers, and Comic Relief generated money for the homeless across America. Moreover, the devastating Aids virus continued to be a concern across the nation and world as news of its destructiveness became more familiar and frequent. "That's What Friends are For," performed by Dionne Warwick and friends, was a song whose proceeds went towards Aids research.

The missing children's programs picked up rapidly throughout the year. Missing children's pictures decorated everything from our soda cups in the cafeteria to our milk cartons at home. New television programs were created not only to warn of child abduction, but also as a means of searching for missing children.

August marked the conclusion of Bruce Springsteen's fifteen month world tour. Springsteen's world tour made him the leader of American rock music and brought his compelling live performance to five million people.

Many new fads swept through the nation as we noticed the decline of Nikes and the increase of Reeboks being sported about the campus at the start of September. Coke changed its formula after numerous years and we then had our choice of New Coke, Coke Classic, Cherry Coke, or switching to Pepsi. Not only the beverage, but also Coke cans were changed. Moreover, the fashion world was dominated by paisely prints and pastel colors. Don Johnson became the idol of many as the "Miami Vice" look was copied. Timex and Seiko lost out to the vibrant colored Swatch watches which sold for \$30.00.

On the local front, NFA saw a change in its exam schedule format, as the state required that students attend a full day of school.

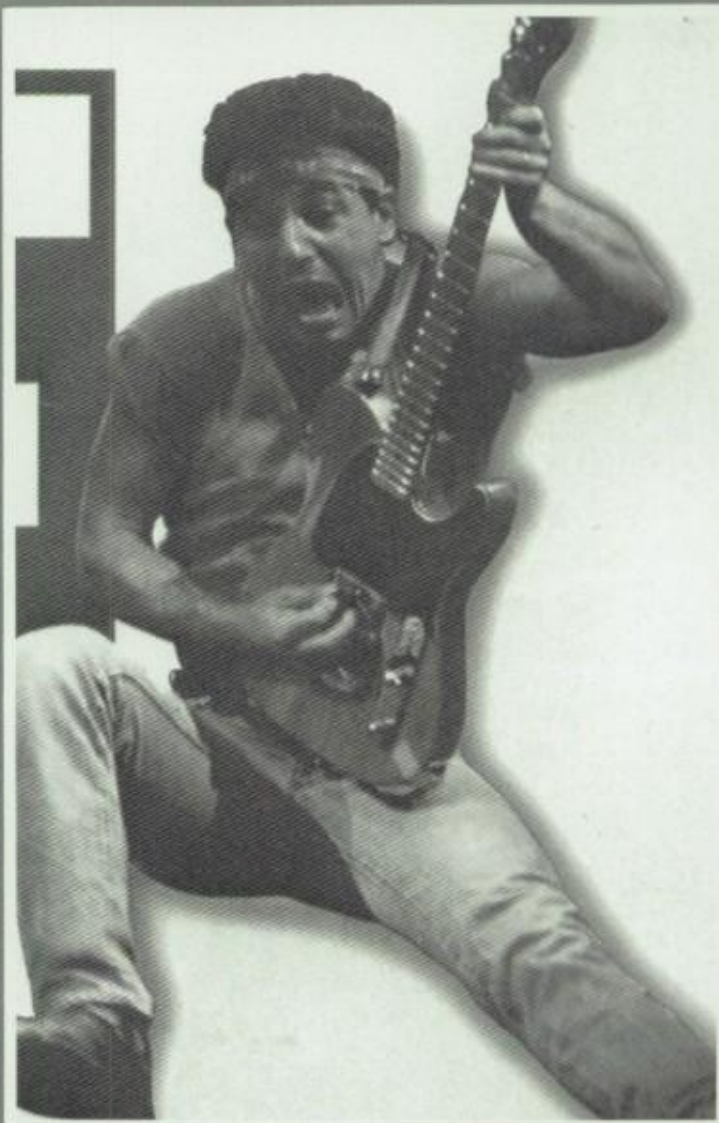

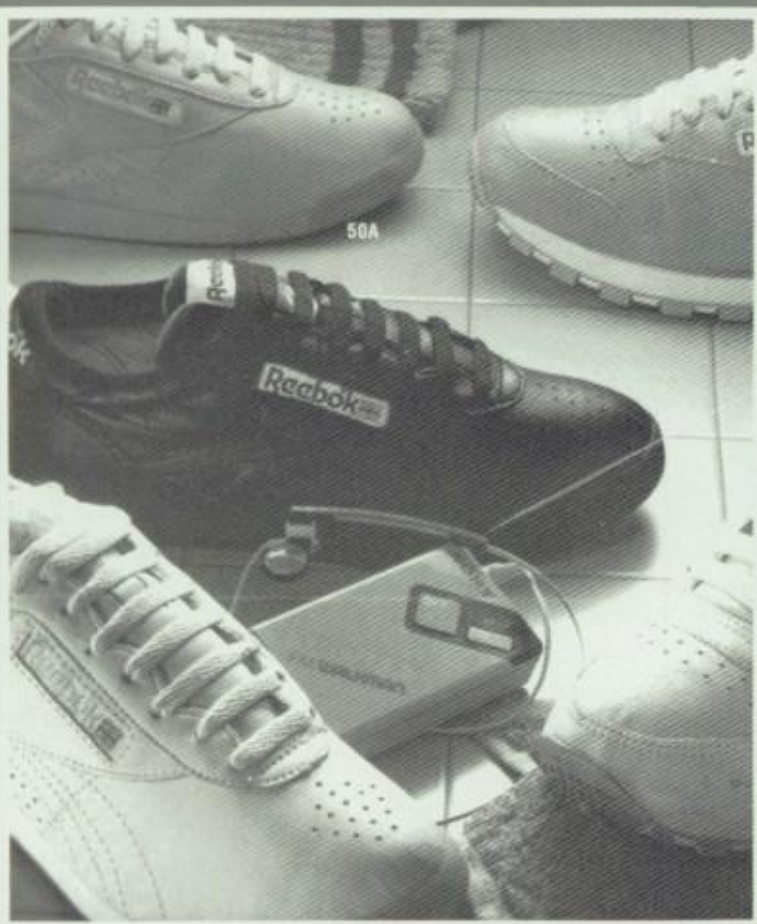

At the end of September, the New England area was affected by Hurricane Gloria, as she swept through, leaving a path of destruction behind her. Locally, trees were uprooted, houses were devastated, and some of us were forced to go without the convenience of water and electricity.

Following Hurricane Gloria, a Mexican earthquake left 5,000 dead and 150,000 homeless. Amidst all the destruction and sorrow, an event took place that delighted everyone. A small baby, buried alive, was saved and is alive today, happy and healthy.

MIAMI VICE

Furthermore, more deaths ensued as the struggle over Apartheid boiled up again and again. More than nine hundred blacks died last year. Apartheid is the ongoing equality dispute between the blacks and whites in Africa.

Toll booths, once part of many Connecticut highways, were removed in October. The roads were finally paid for, and the people of Connecticut could forget those annoying toll stops.

The year was highlighted in November with the arrival of Halley's Comet. The once in a lifetime phenomenon was viewed from NFA's own observatory. This was the first time that modern equipment could be used to photograph the comet, even by amateur photographers.

The nation and even our own community felt the loss of many prominent people who had contributed much to the world during their lifetimes. The young girl who visited the Soviet Union, Samantha Smith, was killed in a plane crash, as was singer Ricky Nelson. Film star Rock Hudson succumbed to the dreaded Aids virus. While Yul Brynner, reknowned actor, lost his battle against cancer. Moreover, the movie industry was robbed by the deaths of Orson Welles and James Cagney. All of their efforts will be remembered and appreciated.

Thursday January 28, 1986 marked the day of Space Shuttle Challenger's fatal flight. The explosion took the lives of six crew members and the first civilian in space, schoolteacher Christa McAuliffe. Ironically, the loss, which touched the hearts of millions around the world, encouraged an even stronger desire for space exploration. In the words of President Reagan, "It's all part of the process of exploration and discovery. It's all part of taking a chance and expanding man's horizons. The future doesn't belong to the fainthearted. It belongs to the brave."

New England's patriotism soared to unparalleled heights as the New England Patriots defeated the Miami Dolphins spurring and prompting hopes for their first Superbowl victory. The Chicago Bears were their opponents, with formidable William "The Refrigerator" Perry leading the Bear's team. Perry had acquired his hero-like status due to his enormous stature, but hopes were still high that the Patriots might win. Although the Bears defeated the Patriots, New Englanders still had something to be proud of, as their team had, for the first time ever, made it to the Superbowl.

We all enjoyed a day off from school on January 20th as we remembered the great Martin Luther King, Jr. and all of his efforts. This was the first year that his birthday had been proclaimed a legal holiday.

Thousands of television viewers waited anxiously for the opening of Al Capone's vaults. Journalist, Geraldo Rivera, brought this spectacle to television with the hopes of finding some interesting artifacts. However, two hours of evening programming were wasted as

the vaults were discovered to be empty. The result was a number of annoyed and frustrated people.

The Academy Awards took a step back in time this year, as two of the major awards were given to older performers. Geraldine Page snatched the Best Actress award for *The Trip to Bountiful* and Don Ameche got Best Supporting Actor for *Cocoon*. The Best Actor award went to William Hurt for *Kiss of the Spider Woman* while Anjelica Huston achieved Best Supporting Actress for *Prizzi's Honor*. The last award, Best Movie, went to *Out of Africa* starring Robert Redford and Meryl Streep, and directed by Sydney Pollack.

The country was again shocked to hear of another outburst of Tylenol poisoning. Once again, cyanide poisoning erupted as local merchants were forced to clear their shelves of capsule-form medication as a precautionary measure.

With the month of April came the threat of a possible war with Libya. Colonel Khadafi's merciless terrorist attacks aimed mainly at defenseless Americans prompted President Reagan to issue an air raid on Libyan cities. British Prime Minister Margaret Thatcher permitted our planes to take off from English shores thus putting her job and her country on the line. Tension ran high as everyone waited for the next episode of the saga.

Next Russia became the center of attention when a meltdown occurred in one of their nuclear reactors. All the world was stirred by the accident which leaked radiation to many outlying regions. It was even a topic of discussion at the Economic Summit, as leaders worked to prevent this type of thing in the future.

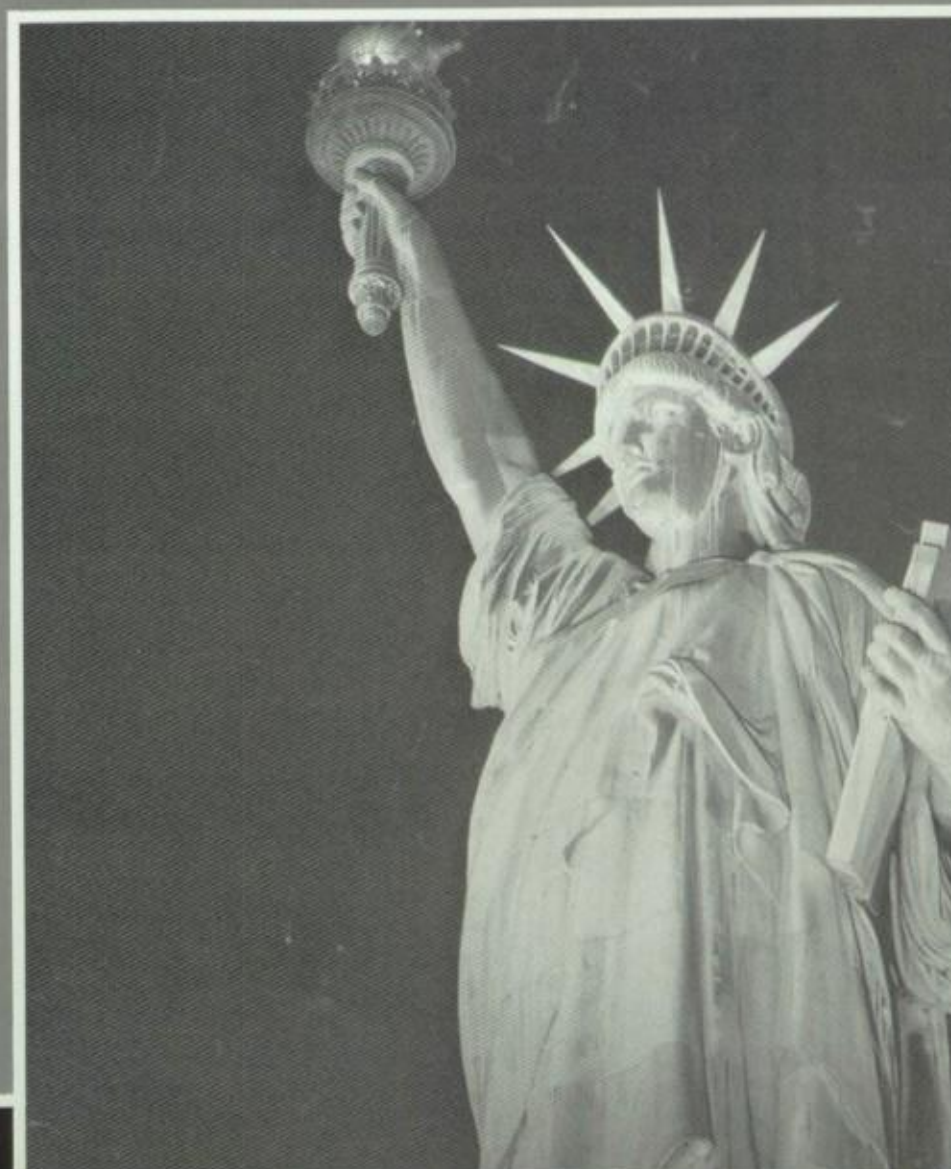

In June, two shocking events took place, the apparent heart attacks of two upcoming sports legends, Len Bias, new Celtic player, and Don Rogers, Cleveland Browns' star. Later evidence caused us to suspect that cocaine was involved. We mourned the tragic deaths of these talented young men whose lives were just beginning.

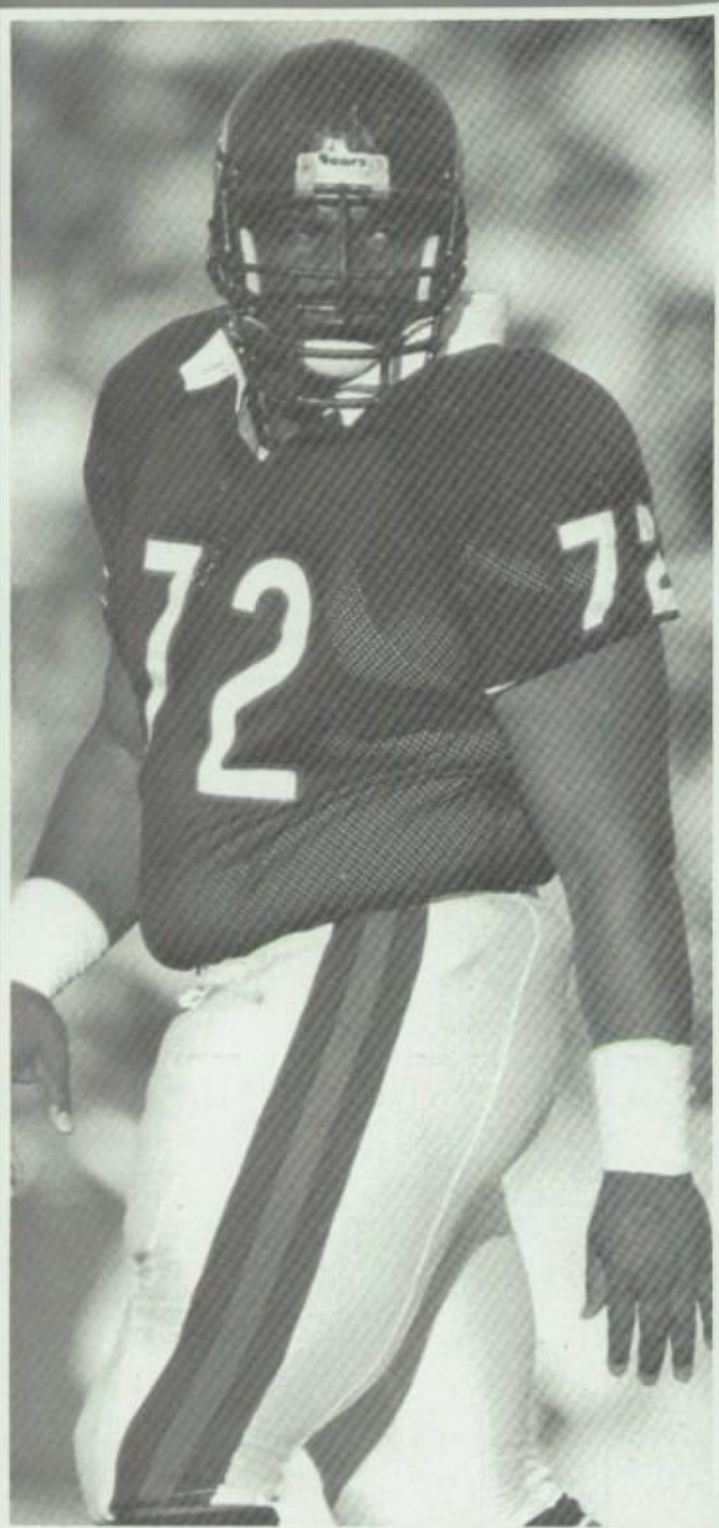

June also saw the onslaught of Statue of Liberty memorabilia due to the statue's 100th birthday celebration. The celebration which took place over the July 4th weekend, saw the New York skyline covered with people, boats, and fireworks. Millions will remember the Statue of Liberty as the best symbol of American freedom and patriotism.

These events are the bits and pieces that shaped our day-to-day life. As we remember the events of this past year, we will be reminded of the people and events which comprised our memorable high school years at the Norwich Free Academy.

Keep Smiling

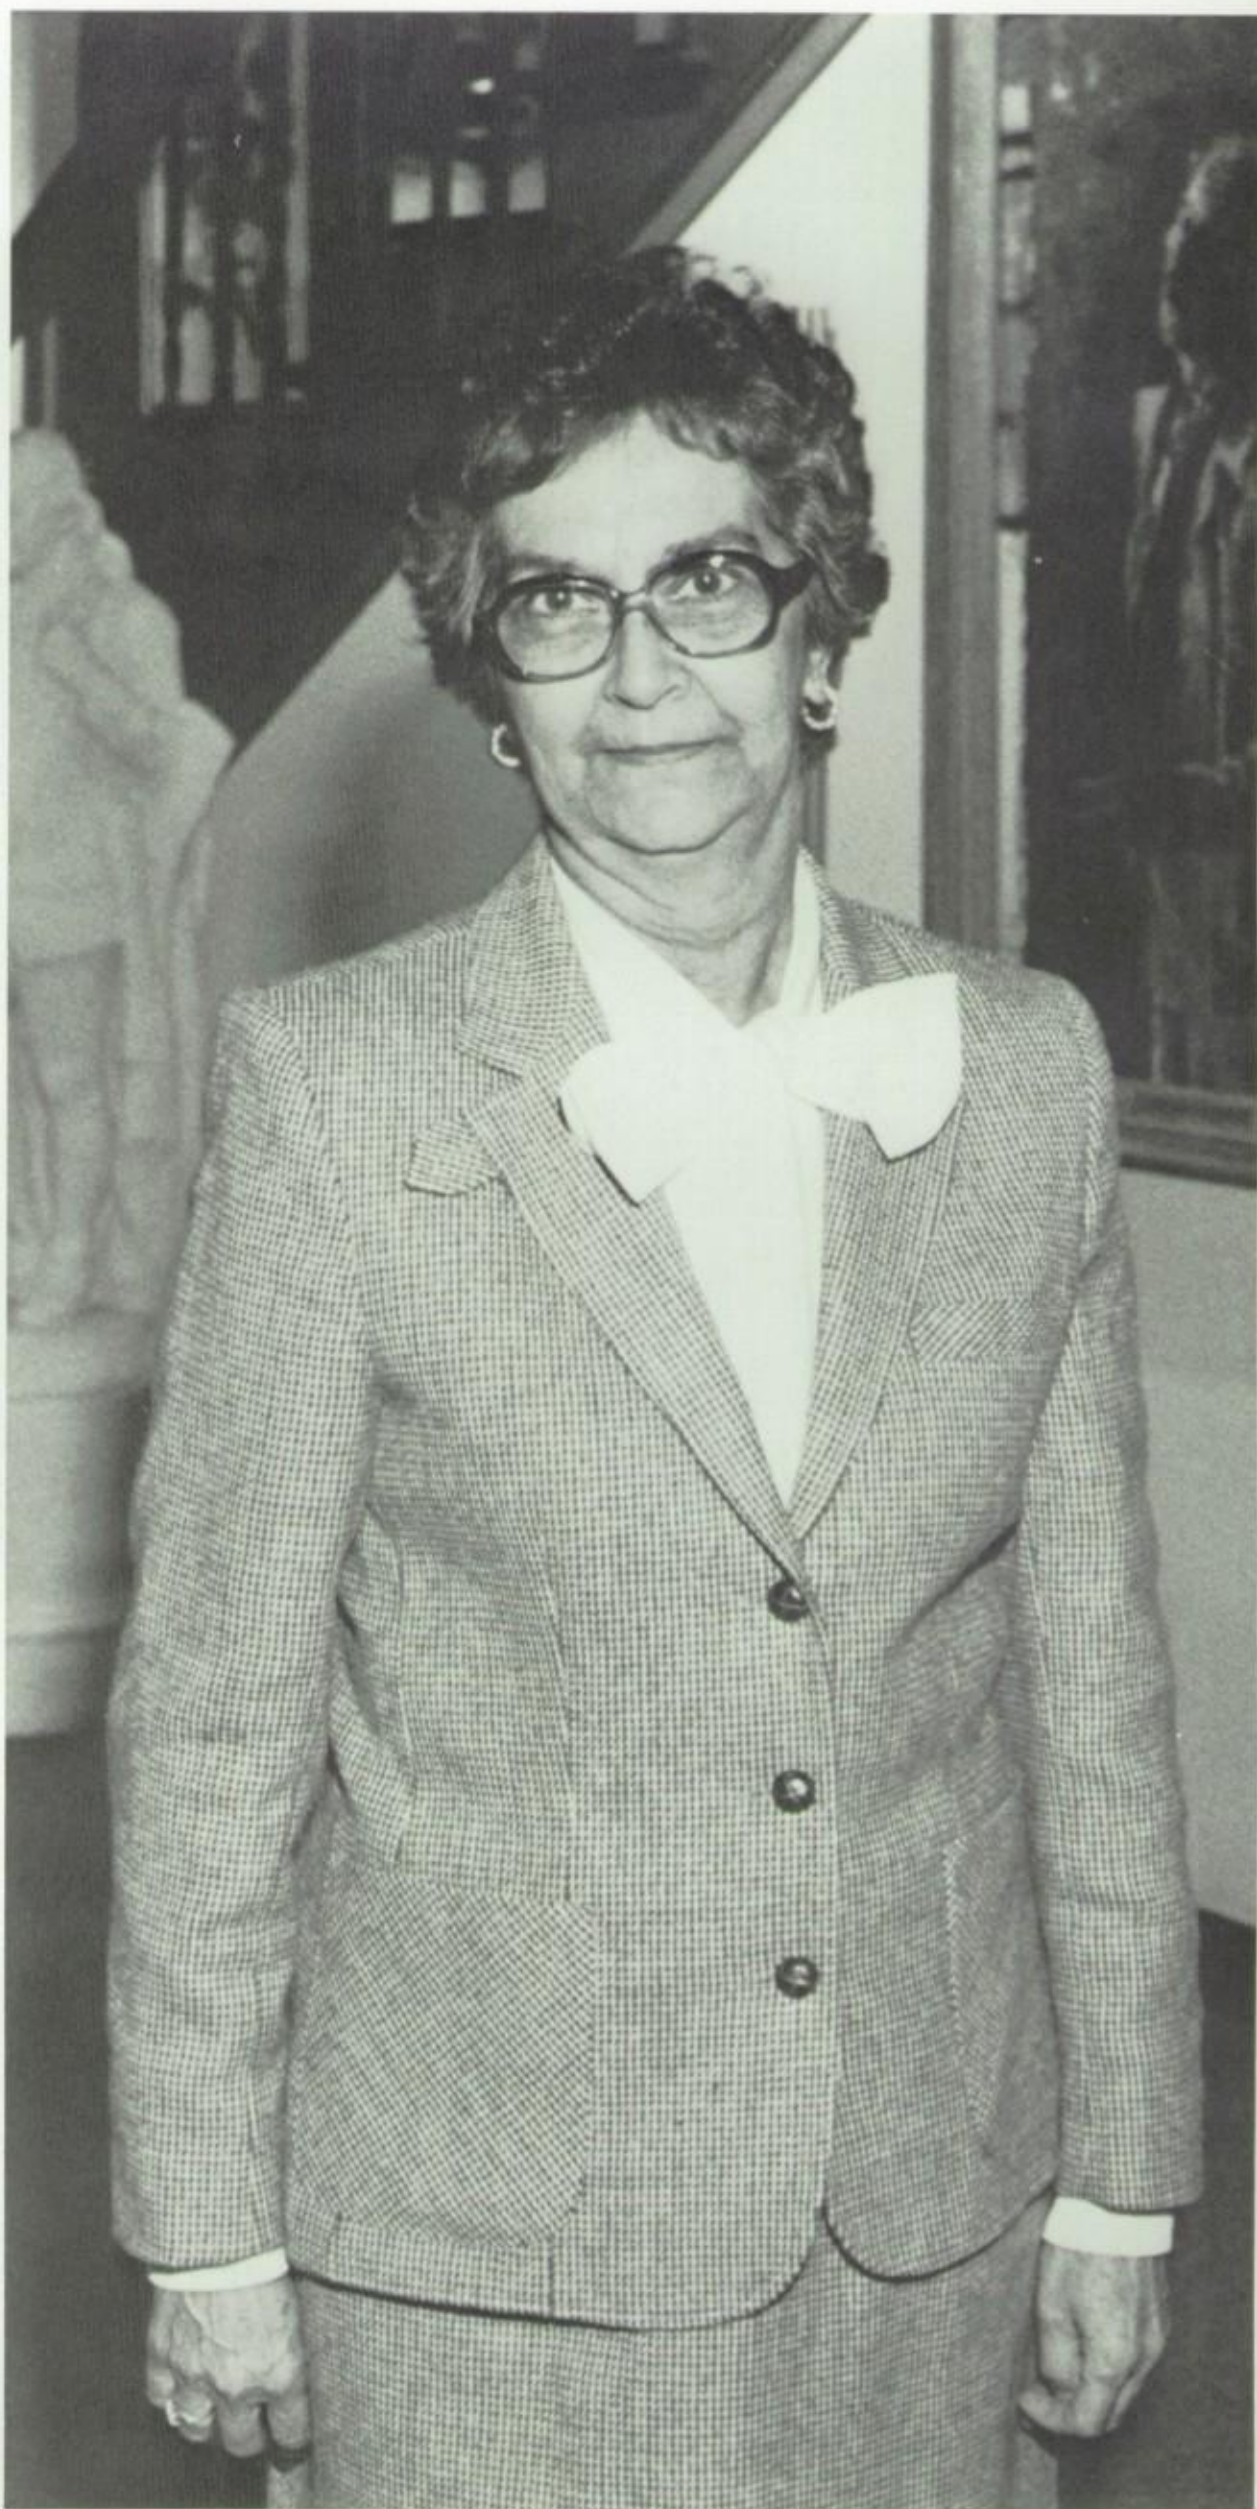

Smiling is an important piece of the puzzle of life because it often brings together friendship and good times. It is a cheerful device that can be shared by many. And if that piece is missing, the empty space can be filled by the company of good friends.

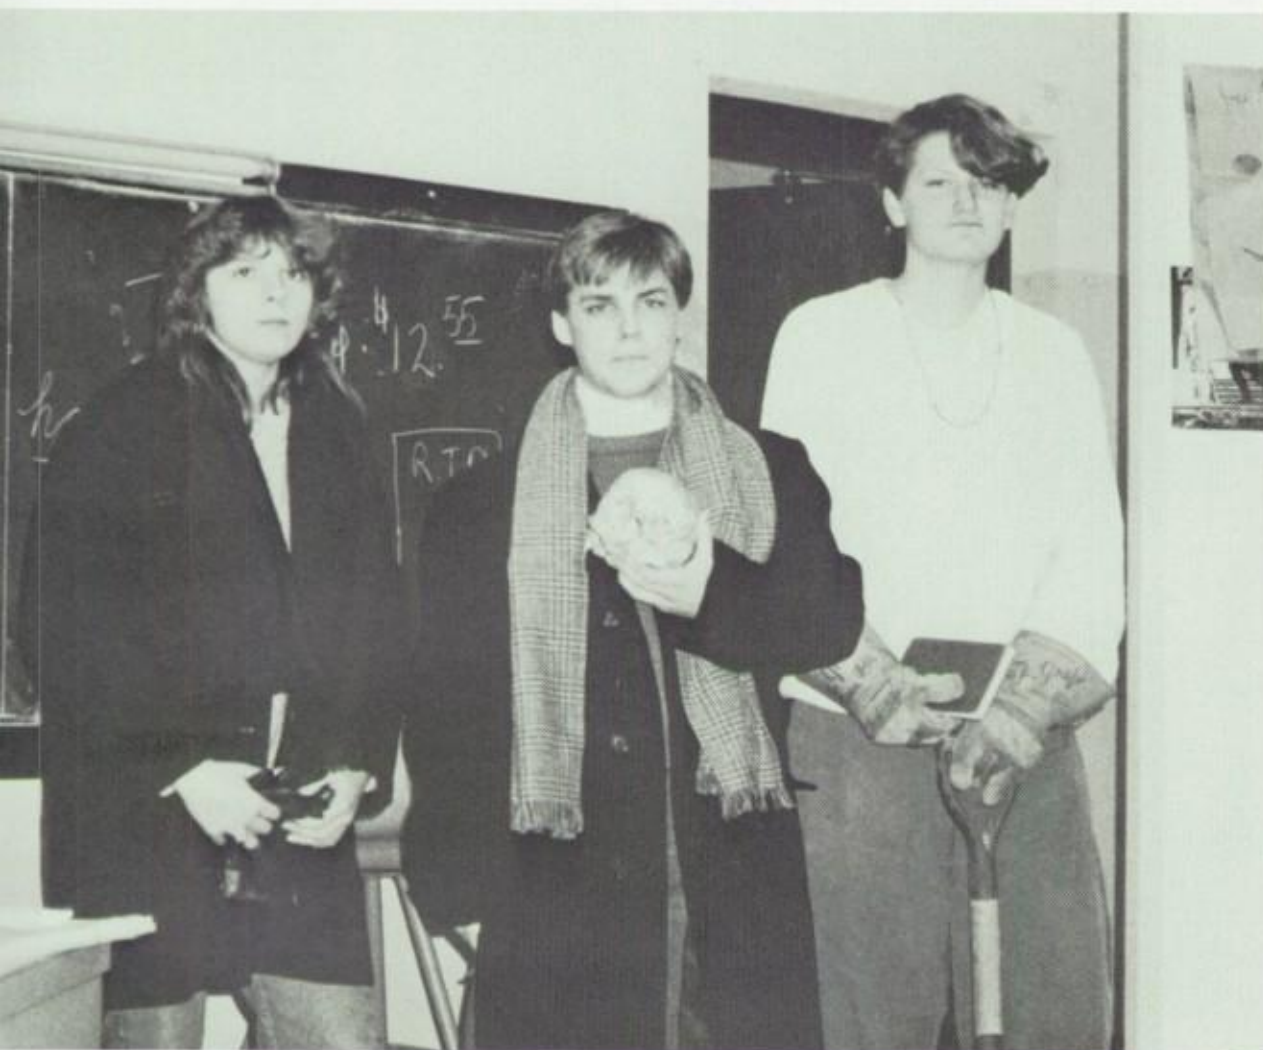

Farewell

Mrs. Bausch, a friend and librarian of all students, retired this year after 29 years of greatly appreciated service. With her help, finding books for all those dreaded research papers was never impossible, even if the paper was due the night before. It was easy to see that she loved her work and cared about the students because of her willingness to help in our time of need. We thank you, Mrs. Bausch, and wish you luck in the future.

"The play's the thing . . ." Shakespeare wrote in his play *Hamlet*. The 1986 N.F.A. Playshop members would definitely agree with this quote. This year under the direction of Annette Arpin the N.F.A. Playshop presented two productions *Two for the Bard* and *Macbeth*. The productions received rave reviews and many Playshop members received recognition for their roles in *Two for the Bard* performed November 22 and 23. Playshop's performance of Shakespeare's *Macbeth* was performed on April 18, 19, 25, and 26. The play was performed in five acts. Seniors Bill Johnson and Emma Gilmartin played the major roles in *Macbeth* of Macbeth and Hecate. Lady Macbeth was played by Heather Oakley; Banquo-Todd Seavy; Macduff-John Tewksbury; Malcolm-Matt Dunphy; Duncan-Ted Papagallo.

Christmas Tableaux

The annual Christmas Tableaux was held in Slater Hall on December 1985. According to Miss Dombrowski, tableaux director, the outcome of the audience was overwhelming.

The program consisted of five scenes, with Paula Marciniak briefing the audience before each scene. The first scene was the annunciation. The angel announced to Mary she would soon bear a son. In scene two, the humble shepards and angels came to visit baby Jesus. Scene three featured carolers singing holiday carols. In the

next scene, the three wise men presented gifts to the Christ child. The final scene consisted of the little drummer boy presenting Jesus with his gift of love.

To finish off the program, the entire cast proceeded on the stage and asked the audience to join in and sing Joy to the World.

Coronation

There was a touch of romance in the air at the Norton Gym on Saturday, February 15, 1986. That was the night of the NFA Coronation Ball. **20/20** serenaded the young couples with modern day lyrics on what proved to be a romantic Valentine's dance. The gym was ornately decorated with streamers, hearts, Cupids, and balloons to correspond with the theme of Bryan Adams', **Straight from the Heart**.

As the evening progressed, the romantic mood shifted

to suspense as the Senior Superlatives were about to be announced. Voting had taken place weeks before in homeroom. The results remained secret until this special moment. Among the awards given, Sue Spayne and Dave Chrzanowski were announced Court **Queen** and **King**.

The Coronation was an important piece of our Senior year because it enabled us to share a special evening with good friends.

I could start dreaming but it never ends
As long as you're gone we may as well pretend
I've been dreamin'
Straight From the Heart

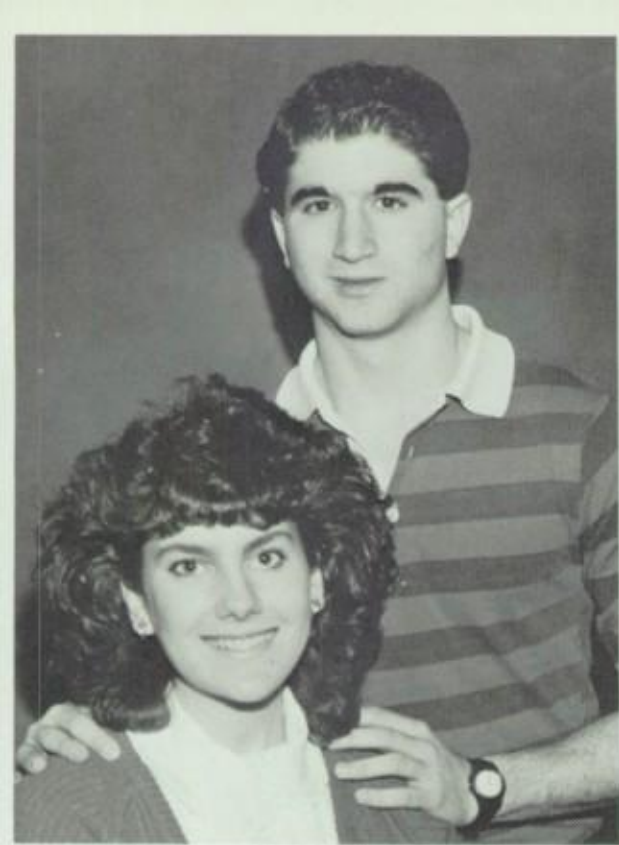

You say it's easy but who's to say
That we'd be able to keep it this way
But it's easier
Straight From the Heart

Give it to me Straight From the Heart
Tell me we can make another start
You know I'll never go
As long as I know
It's coming Straight From the Heart

I'll see you on the street some other time
And all our words would just fall out of line
I was dreaming
Straight From the Heart

Give it to me Straight From the Heart
Tell me we can make one more start
You know I'll never go
As long as I know
It's coming Straight From the Heart

Art Show

The 96th Annual Atudent Art Exhibition was held in Slater Hall at the Norwich Free Academy on Friday evening, May 16, 1986 from 6:30-9:30. After Mr. Frank Novak spoke on the outstanding works of the students, Dr. Levanto proceeded to announce the winners of the many prestigious awards.

Afterwards, there was a reception portraying the fine pieces of work done by the students in the gallery.

Congratulations to all our fine artists. You have made NFA proud.

Senior Breakfast

On Wednesday, June 18, 1986, the Tamarak Lodge was the place to be. The smell of bacon, eggs, muffins, and other breakfast treats filled the air as the class of 1986 celebrated graduation over a grand breakfast. After the wonderful feast, everyone gathered around to listen to Dr. Levanto's words of wisdom. His amusing speech was a play on words from the "superman" series.

Next on the agenda was the presentation of the silly awards. They were as follows:

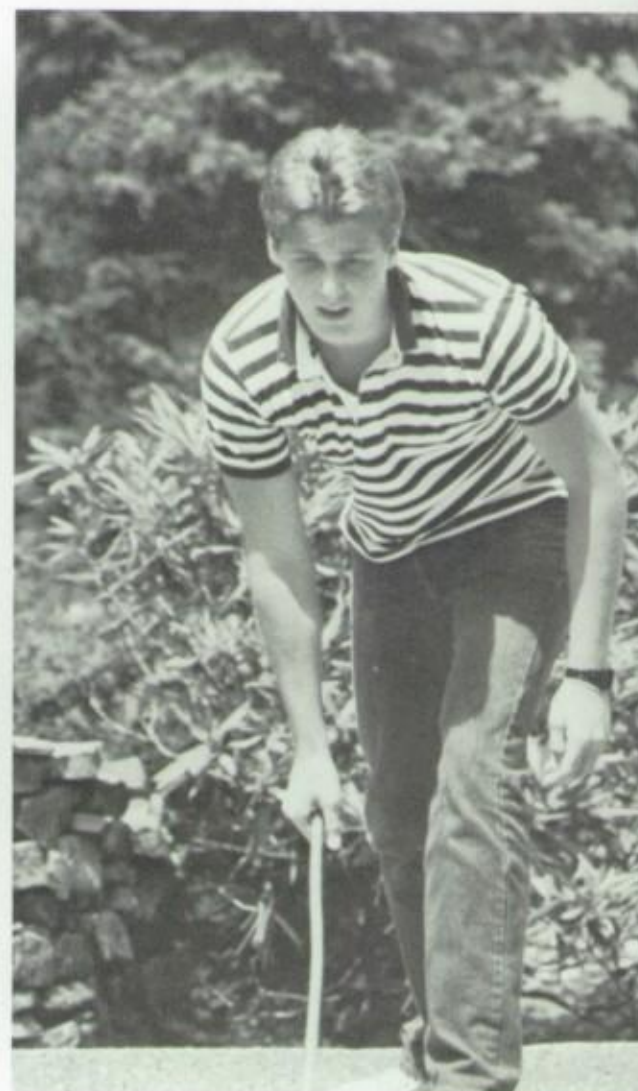

NICEST EYES- John Henn, Heidi Hoodenpyle
 CLASS PARTIERS- Adin Lowenstein, Maria Jacaruso
 NICEST LEGS- Keith Huot, Greg Keith, Sue Spayne
 CLASS ATTITUDE- Bill Girard, Sharon Donovan
 CLASS FLIRTS- Kevin O'Neil, Diana Ivey

Senior Prom

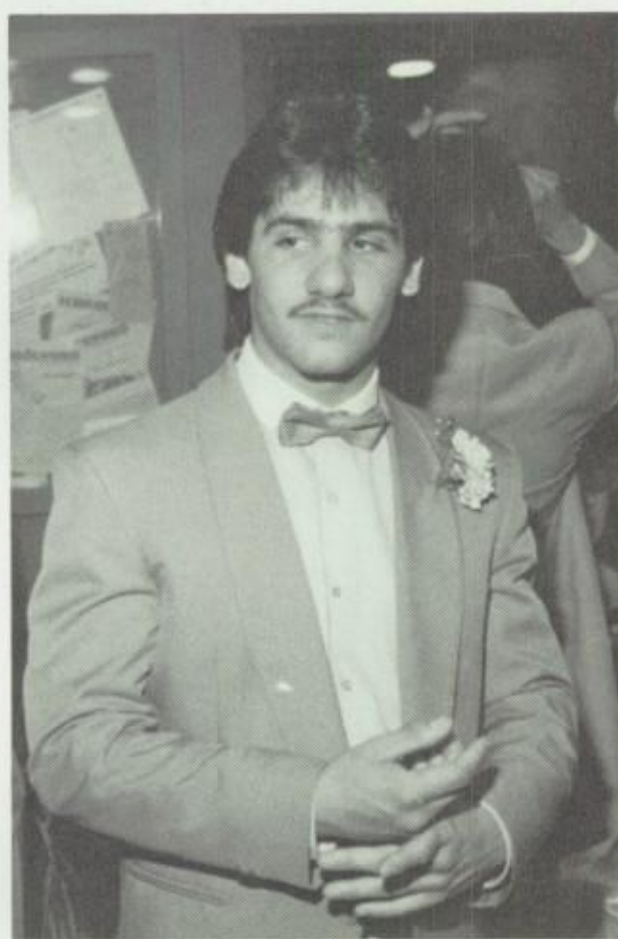

There was something fishy about the 1986 Senior Prom. It was held at the enchanting Mystic Marinelife Aquarium in Mystic, Ct. The doors opened at 8:00 and that's when the Senior Prom began. Besides dancing, the Aquarium provided many means of entertainment. There was a dolphin show, fish to watch, and a scenic walk around the duck pond. The theme was, "Don't you Forget About Me." Everyone who went received a souvenir wine glass to serve as a reminder of the 1986 Senior Prom.

Class Will

We, the class of 1986, being of sound mind and body, do hereby declare this to be our last will and testament with the pieces of old and new traditions molded into a whole.

To Michelle Perkins, a bag of Jax, a chain of gas stations and Madonna.

To Todd F., Laurie S., Micki L., Missy B., and Maureen L., a *real reason* to cut Math class.

To Mr. Mackowicki, an abundant supply of cut-slips to use at his *very own* discretion.

To Nancy Tetreault, a gift certificate to the men's department at Sage Allen, and a roach motel.

To Maureen Leta, your own lunch money, the number 7, and The Ronald McDonald House.

To Kyle Kuvalanka, a lump of clay.

To Brian Beckwith a box of oatmeal.

To Gina Perkins, a scholarship to Conn. College.

To Mr. Vart., someone who understands the concepts of Physics

To Megan Leonard, a good view in the cafeteria.

To Amy Howard, Geez Louise.

To Roxanne Granderson, a life-time with Donald Duck.

To Jeanne Banks, a one way trip to Italy.

To Maria Jacaruso, a jeep, the beach, and a mutha green windbreaker.

To Paula Marciniak, a tuna casserole and an extra camera for the dock.

To Mrs. Macht, a babysitter.

To Jerry Swain, L.A. Beach Club and a personalized brush.

To Greg Keith, proof that there is a parallel universe.

To all Latin I Seniors, a dollar for every Latin word you memorized!

To Mr. Ledoux, a louder pan to drop.

To Dr. Varone, a 14 karat gold bocce ball.

To Sheila Weathers, a box of Kleenex for the pool side

To Mrs. Devore, an all expense paid trip to *LONDON*.

To Al McElwain, his very own bush and a toga.

To Chris Wood, a degree in black history.

To the Clique, a sense of independence.

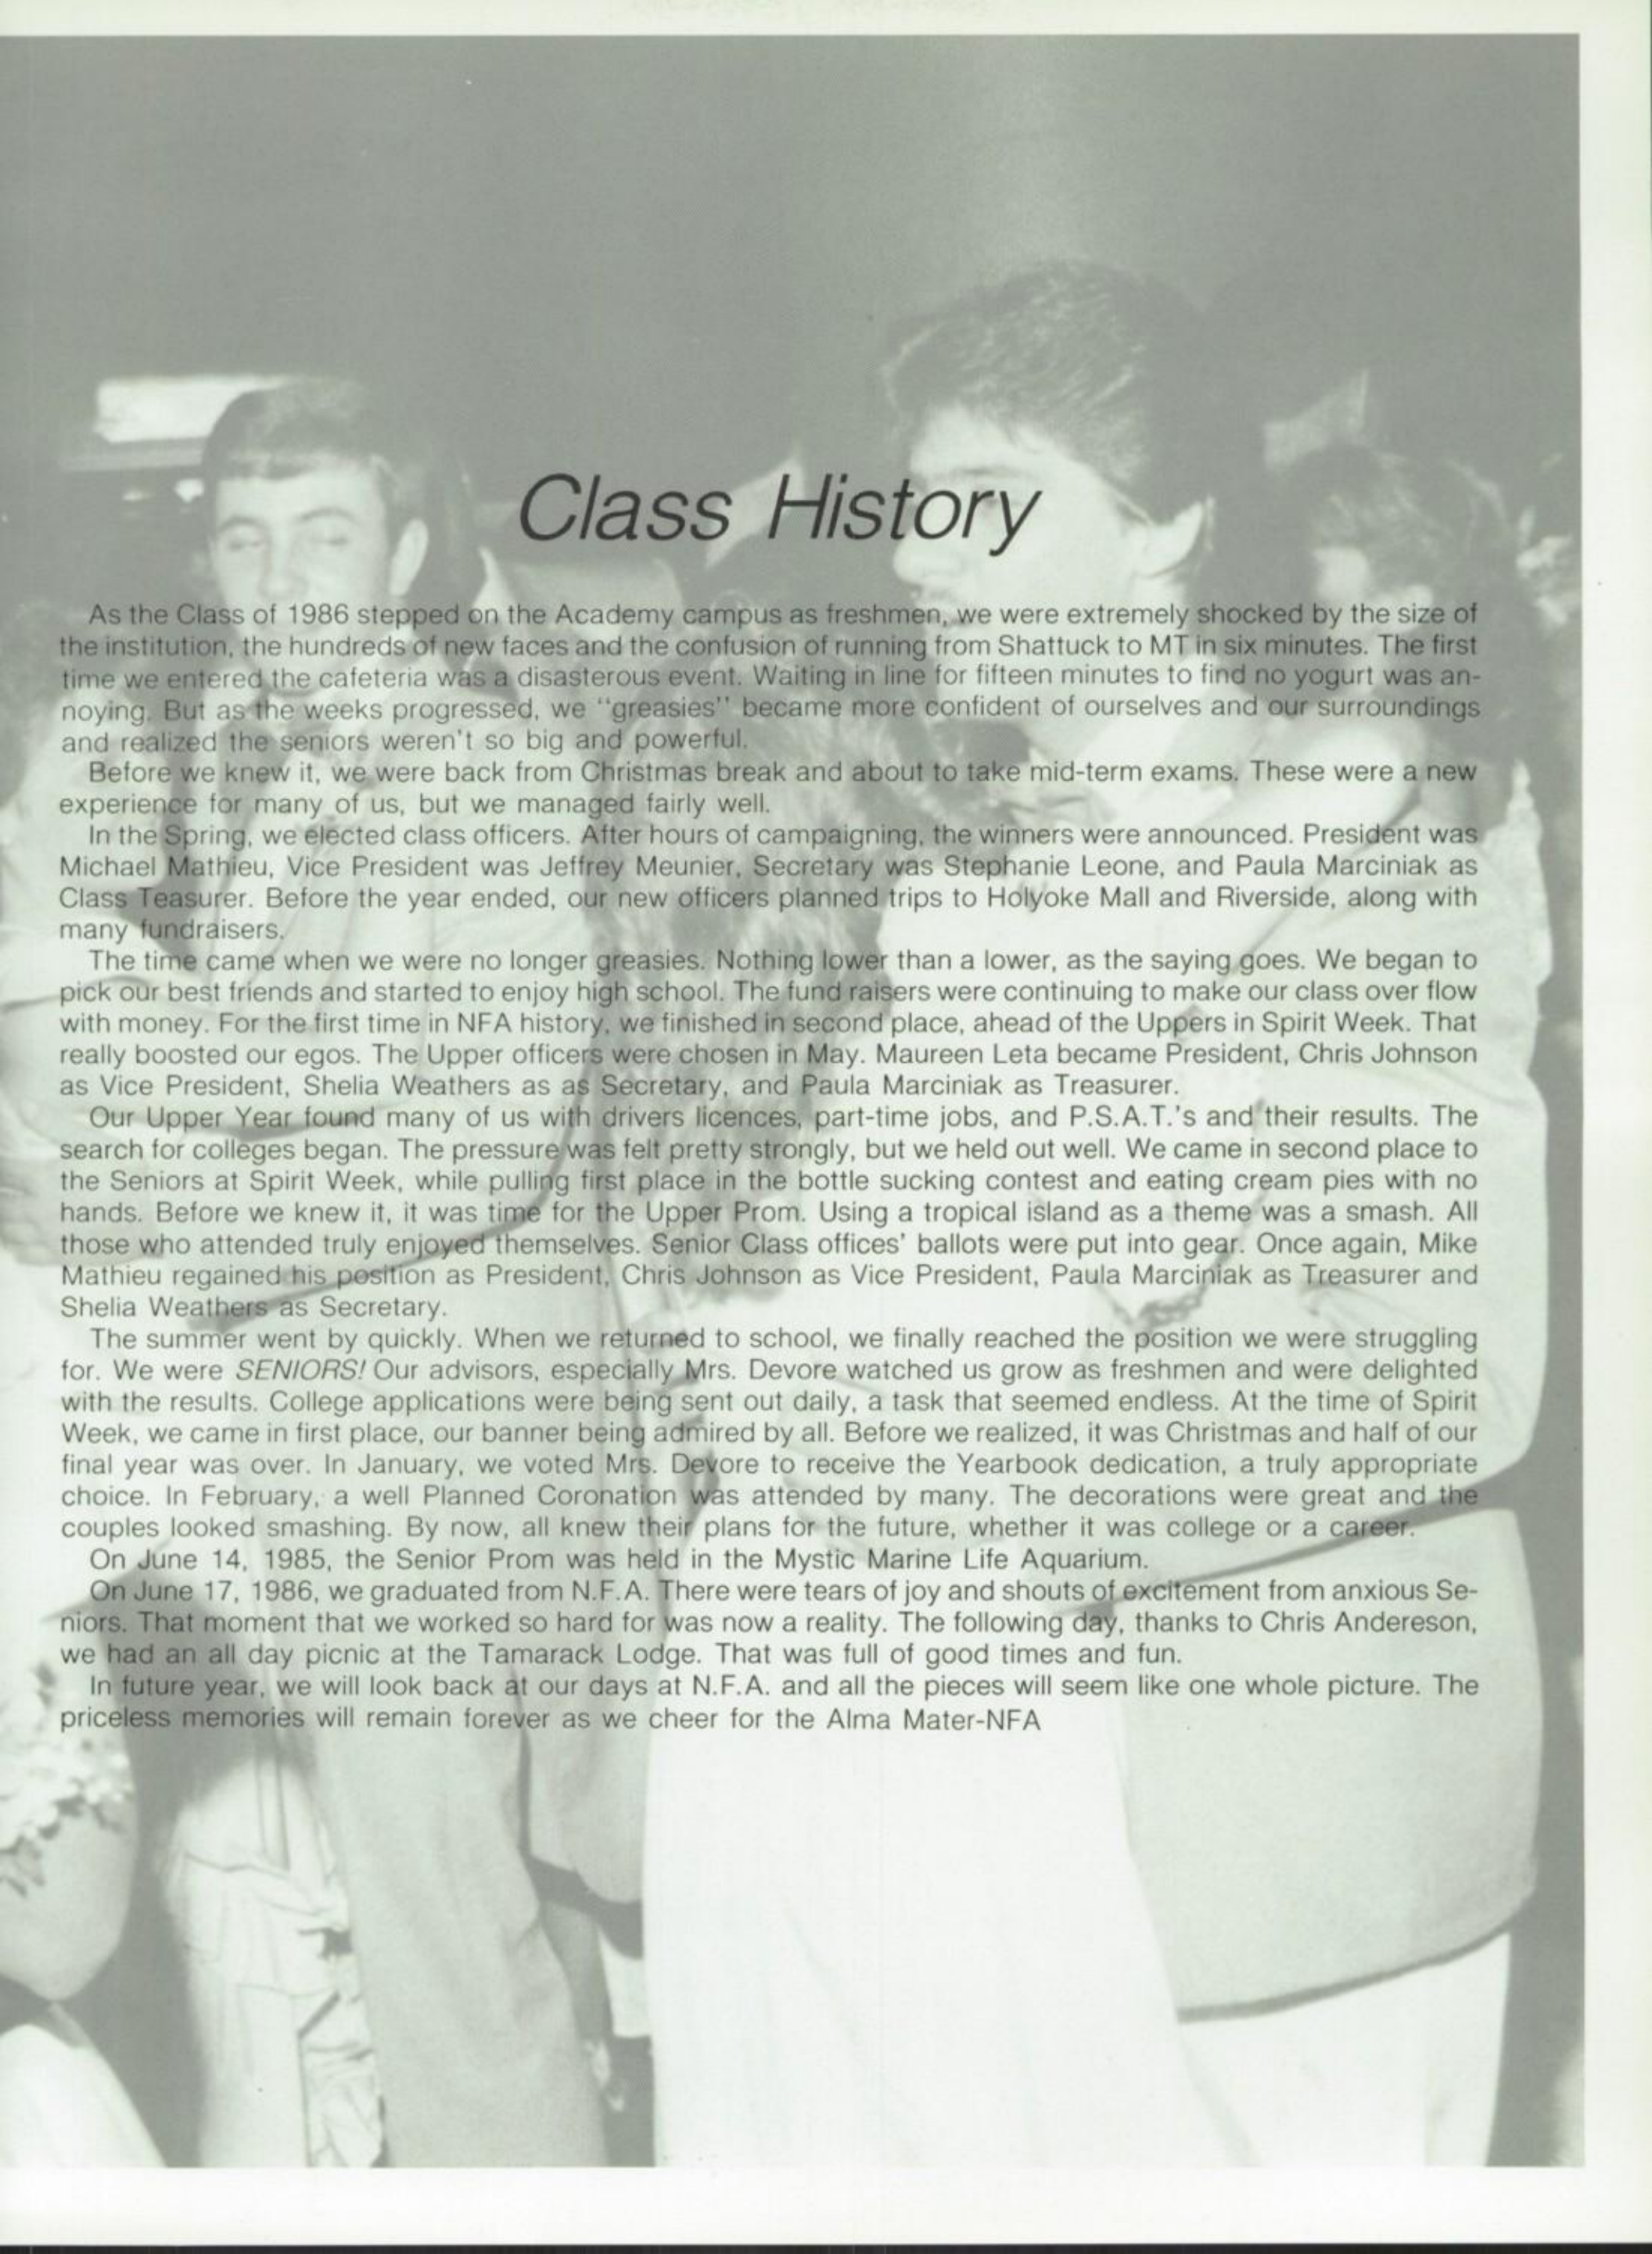

To Cathy Gagnon, the *ROLLING STONES*.

To Sharon Donovan, anything other than a pair of Jeans.

To Pasquale Amodeo, a hackysack to play bocce with.

To all graduates, best of luck in future endeavors.

To the incoming freshmen, the long four year wait to become Seniors.

Class History

As the Class of 1986 stepped on the Academy campus as freshmen, we were extremely shocked by the size of the institution, the hundreds of new faces and the confusion of running from Shattuck to MT in six minutes. The first time we entered the cafeteria was a disastrous event. Waiting in line for fifteen minutes to find no yogurt was annoying. But as the weeks progressed, we "greasies" became more confident of ourselves and our surroundings and realized the seniors weren't so big and powerful.

Before we knew it, we were back from Christmas break and about to take mid-term exams. These were a new experience for many of us, but we managed fairly well.

In the Spring, we elected class officers. After hours of campaigning, the winners were announced. President was Michael Mathieu, Vice President was Jeffrey Meunier, Secretary was Stephanie Leone, and Paula Marciniak as Class Treasurer. Before the year ended, our new officers planned trips to Holyoke Mall and Riverside, along with many fundraisers.

The time came when we were no longer greasies. Nothing lower than a lower, as the saying goes. We began to pick our best friends and started to enjoy high school. The fund raisers were continuing to make our class overflow with money. For the first time in NFA history, we finished in second place, ahead of the Uppers in Spirit Week. That really boosted our egos. The Upper officers were chosen in May. Maureen Leta became President, Chris Johnson as Vice President, Shelia Weathers as Secretary, and Paula Marciniak as Treasurer.

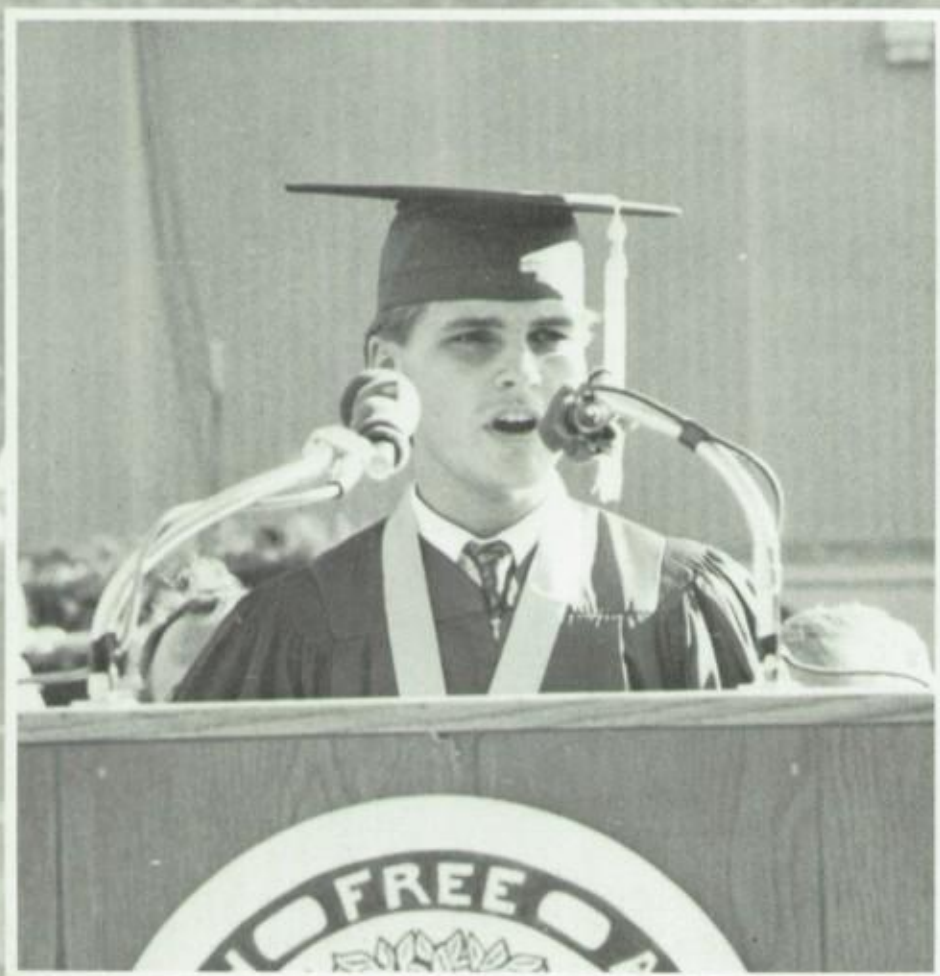

Our Upper Year found many of us with drivers licences, part-time jobs, and P.S.A.T.'s and their results. The search for colleges began. The pressure was felt pretty strongly, but we held out well. We came in second place to the Seniors at Spirit Week, while pulling first place in the bottle sucking contest and eating cream pies with no hands. Before we knew it, it was time for the Upper Prom. Using a tropical island as a theme was a smash. All those who attended truly enjoyed themselves. Senior Class offices' ballots were put into gear. Once again, Mike Mathieu regained his position as President, Chris Johnson as Vice President, Paula Marciniak as Treasurer and Shelia Weathers as Secretary.

The summer went by quickly. When we returned to school, we finally reached the position we were struggling for. We were *SENIORS!* Our advisors, especially Mrs. Devore watched us grow as freshmen and were delighted with the results. College applications were being sent out daily, a task that seemed endless. At the time of Spirit Week, we came in first place, our banner being admired by all. Before we realized, it was Christmas and half of our final year was over. In January, we voted Mrs. Devore to receive the Yearbook dedication, a truly appropriate choice. In February, a well Planned Coronation was attended by many. The decorations were great and the couples looked smashing. By now, all knew their plans for the future, whether it was college or a career.

On June 14, 1985, the Senior Prom was held in the Mystic Marine Life Aquarium.

On June 17, 1986, we graduated from N.F.A. There were tears of joy and shouts of excitement from anxious Seniors. That moment that we worked so hard for was now a reality. The following day, thanks to Chris Andereson, we had an all day picnic at the Tamarack Lodge. That was full of good times and fun.

In future year, we will look back at our days at N.F.A. and all the pieces will seem like one whole picture. The priceless memories will remain forever as we cheer for the Alma Mater-NFA

Class Speaker

Dr. Levanto, Board of Trustees, Faculty, Parents, and Classmates:

It is sad to think that this very memorable moment is perhaps the last time that we shall be together as a class—for this is our farewell. There are so many things I should like to say to all of you to make this occasion even more unforgettable and commemorative but, the time is so fleeting, so transitory that I am unable to squeeze in all my thoughts and ideas. Out of the many subjects I should have liked to have shared with you, I have chosen a matter that desperately needs our full attention and consideration: the urgency and need for world peace and our place as the upcoming generation to achieve and to secure it.

I strongly and adamantly believe that it is important that each and every one of us must recognize, comprehend, and truly understand the events of the world; as every international affair, whether it be small or great, affects us directly.

We are living in strange times—times when terrorism is the center attraction of our days; when nuclear meltdowns and threats are a common occurrence; when many citizens of the world are impoverished and hungry; when humanity is controlled through war and violence.

It is true that many attempts have been made to lessen the impact of these heinous events but, they are not enough. They need help—our help. As tomorrow's legacy, it is our duty to join together and to try to save the problems of the world with pacific means. Let us devote our time, talent, and tenacity to the welfare of all citizens throughout the world. Let us make the colorful and diverse human society a world of equality, restfulness, and tolerance.

I know it is frightening to think that the problems of our globe rest upon each and every one of us; and it is natural to want to avoid or to ignore them. But if we join together with our contemporaries around the world, the burden can be assuaged. However, we must begin at square one; we must make friendships with our contemporaries, our neighbors—next door and around the globe. This first step is vital to the success of saving and securing the human race.

There is a story I should like to share with you about two people trying to relate their very real and human concerns for world peace. Recently, my grandmother traveled to the Soviet Union. While in a small village, she met a local man who had approached her and began to talk with her. My grandmother soon learned that this man was poor. After a while, the time came when my grandmother had to leave her new acquaintance. As she turned to go, the Soviet tapped her on the shoulder and handed her a small wooden guitar which he had been carrying. He asked her to accept his gift as symbol of the harmony that he and his countrymen desired to establish with Americans. I have to believe that this man's action epitomizes the desire for world peace by most human beings.

This instance is simple; however, it is poignant in our pursuit for peace. We must seek these instances and use them as the base to international harmony. Let there be peace on earth and let it begin with each and every one of us.

Ivy Orator

Families, Friends, Honored guests, and fellow Classmates:

During the past four years here at the Norwich Free Academy many of us have suffered through various hardships: whether it was the loss of a loved one, academic problems, or perhaps social conflicts. We each have faced our own personal trials. These trials ultimately forced us to look within ourselves and discover the true depth of our inner strength. We all witnessed the greatest sacrifice of this decade; the tragic death of Christie McAuliffe, the first teacher, housewife, and mother to participate in our country's space program. We can only stand in admiration of the great inner strength, courage, and pride that her family portrayed while struggling to justify the loss of their wife and mother.

The realization of our own potential and inner strength has not come easily. Our families, friends, and the faculty here at N.F.A. have helped us from our years as intimidated freshman to this evening to discover and nurture this hidden forte. Our families and friends have supported us, encouraged us, and loved us. Often when we could not stand alone, they have been there to lean on. The most valuable asset of this school is its faculty. They have been more than simply teachers and advisors to us. Many have become our friends. The knowledge we have received from them has helped us to build an eternally strong foundation on which we can stand on our own two feet. For their strength, guidance, and love, we are forever in their debt.

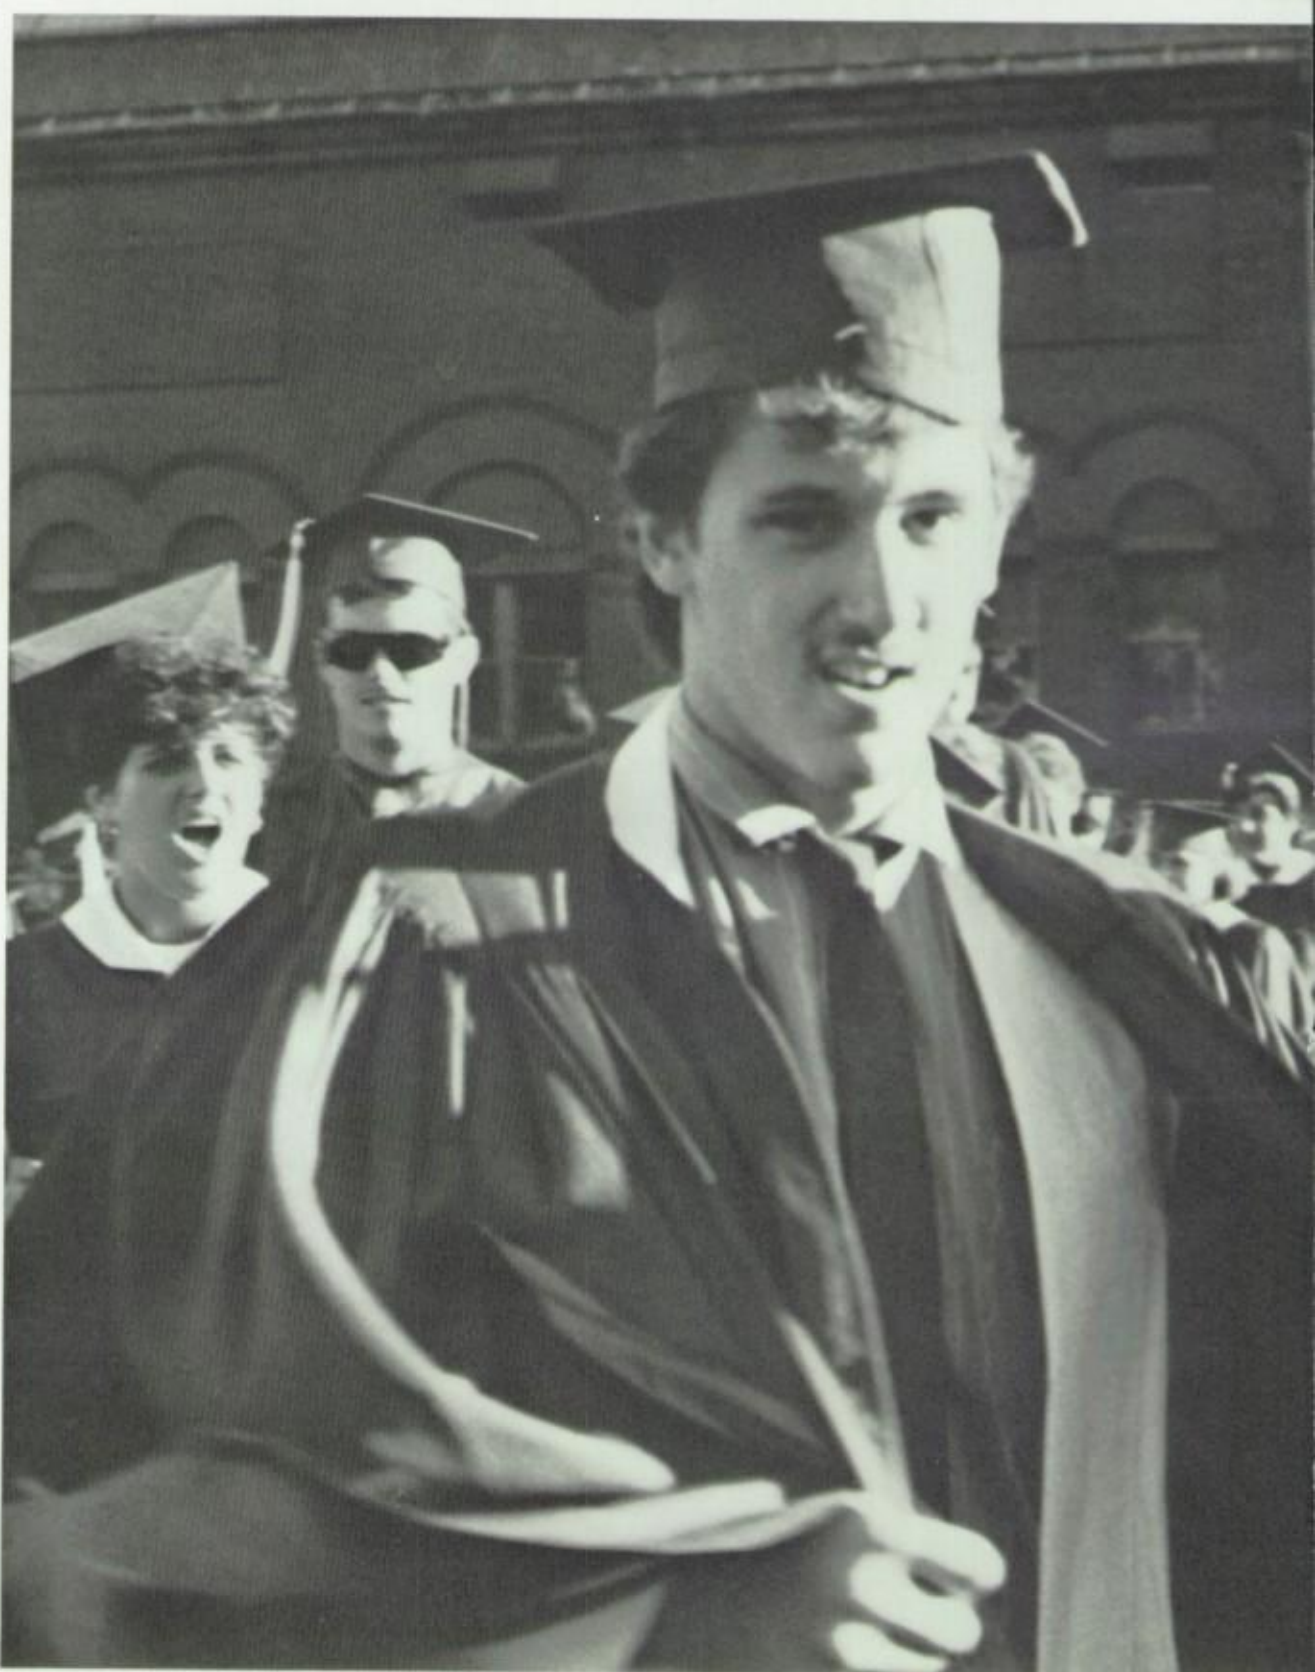

Today, we the Class of 1986 stand in the doorway of the future, our future. Society is giving us the opportunity to repay that debt, by succeeding in whatever we may choose to do, whether it be to continue our education, enter the business world, enlist in the services, or begin families of our own. Now it is our obligation to provide support, love, and care for following generations, enabling them to handle their trials of discovery.

Many classes before us have passed through these doors as will many after us. We have been given a challenge; the greatest challenge of our lives, the challenge to succeed. We can make the difference. But we must, as did the family of Christie McAuliffe, also rely on our inner strength. We must never forget the friendships made, the hardships endured, or the strength discovered here at the Academy for these are the traits that will enable each of us to reach our goals. We have the potential and I know we will succeed. My friends, we are the Class of 1986. And we are the future!

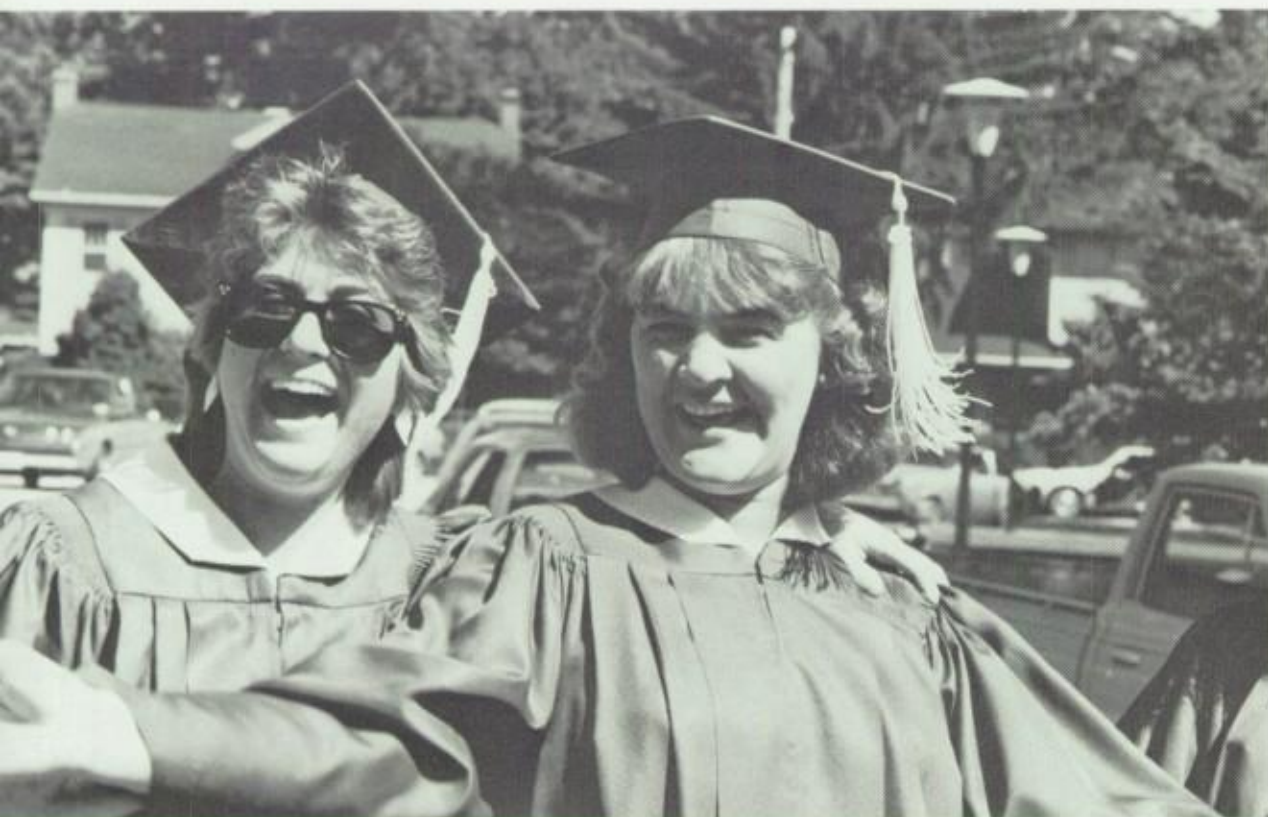

Graduation

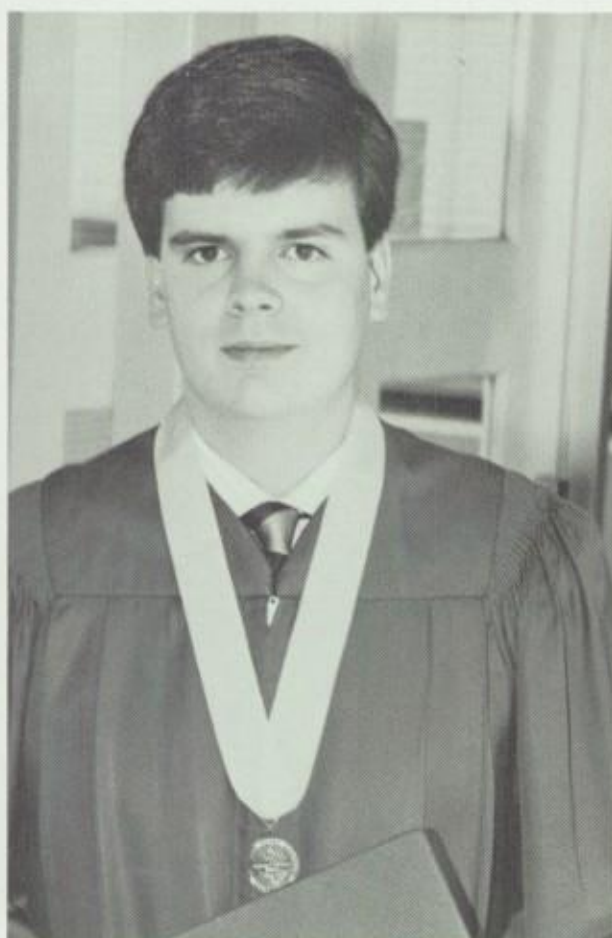

This year's commencement ceremony was held on Tuesday, June 17, 1986. This was a time to bid farewell to high school chums and look forward to the future. This is when we realized that our high school years have had gone by rapidly and that we must move on. We will never forget our four years at NFA-a time for friendship, learning, and good times. Good luck to all the graduates. We are the future and we will succeed in all our endeavors!

The Final Piece . . .

Well, graduates, how does it feel to actually see yourself graduate?! I'd say this makes it official. It's hard to believe that the four years went by so quickly. Though, we all enjoyed ourselves. Whether it was at school sports, during class or on the weekends, all of us experienced moments that will remain in us forever. The good times along with the seldom bad ones will recall laughter and tears as the day's of our adult life pass.

I'd like to thank a helpful staff for the professional job they did. We never could have finished without you. But, my most sincere gratitude is directed to Mrs. Nancy Macht. Her nervousness to meet a deadline was just that extra boost we needed to have it done on time. And with a new baby in hand, she still pulled through to the end. You're great, Mrs. Macht.

To all fellow classmates, once again I'd like to wish each and every one of you success in the future. I know we'll succeed because we are the Class of 1986!!

Sincerely yours,
Maureen E. Leta

The school year has come to a close along with our high school years. As we look back and remember the good times they seem so far away. We can now only look to the future which will also bring good times. This year's theme was bits and pieces. We chose this theme in an effort to create an unbiased yearbook-to include something for everyone. This was also the reason why we included the underclassmen in the 1986 Mirror. We realize this created much controversy and opposing viewpoints, but we feel that it marks the end of old tradition and makes room for new creative ideas.

I'd also like to thank our wonderful yearbook staff for their help and countless hours of hard work. Special thanks to Jamie Jewett, Trina Ferderer, and Maria Jacaruso for their help in typing and creative ideas. Very special thanks to Mrs. Macht whose sweet personality and organizational skills led us on the right track and made our time worthwhile. Thank you, Mrs. Macht, and good luck with your new baby.

In conclusion, I'd like to wish all the graduates the best of luck in the future.

Yours Truly,
Michelle Perkins
